PAHL FAIR PLAY PROGRAM

FAIR PLAY holds all players and coaches accountable for their actions and behavior by rewarding proper behavior and good sportsmanship.

In the PAHL Fair Play system, each team at the start of the game can earn an extra "Fair Play" point in the standings for playing the game within the confines of the rules and with good sportsmanship. A team will not earn that Fair Play point if they exceed the defined penalty minute threshold established for that level of play. Additionally, if a team exceeds double that defined threshold, that team will lose a Fair Play point.

FAIR PLAY POINTS will be an added component to the PAHL league standings. It will be implemented for all regular season league games. This means that a team can earn a maximum 3 points in the PAHL standings to count towards playoff positions for the season, or conversely lose points based on PIM.

GAME RESULTS	FAIR PLAY	IMPACT OF EARNING A POINT	IMPACT OF LOSING A POINT
win = 2 pts	Earn or lose a point based on PIM Criteria	win = 3 pts	Win = 1 pts
tie = 1 pt		tie = 2 pts	Tie = 0 pts
loss = 0 pts		loss = 1 pt	Loss = -1 pts

DIVISION	PIM AT THIS THRESHOLD OR LESS GAINS A FFP	EXCEED THIS PIM THRESHOLD AND LOSE A FFP
18U, 16U	16	32
14U	16	32
12U	12	24
10U	12	24
GIRLS 19U, 16U, 14U	16	32
GIRLS 12U, 10U	12	24

NOTE CHANGES FOR THE 2022-2023 SEASON:

Thresholds have been reduced for all 12U and 10U divisions. The reason is because minor penalty lengths have been reduced from 2:00 minutes to 1:00 minute for those age groups.
