

## WAWA Mat Rental Request

Wyoming Amateur Wrestling Association currently has 12 wrestling mats available to rent on a first come, first served basis. Priority is always given to WAWA-run events, then to USA/WAWA sanctioned clubs, and finally to entities outside of WAWA (i.e. High Schools). Cost to rent the mats is \$50 per mat, per day. This cost applies to USAW sanctioned events. WAWA highly recommends including additional insurance through the sanction form. Rental requests need to be submitted to Casey Schell AND Rheanna Nelson.

Prior to pickup, the renting entity is required to submit a \$100 damage deposit per mat, with the understanding any damage to the mats above the deposit, the renting entity will be held responsible. The deposit will be returned when all mats are returned undamaged. The renting entity is responsible for all mat transportation, including picking up keys and returning keys. Transportation is required in an enclosed trailer. An assigned WAWA board member will contact the renting entity to arrange key pickup and return. Any damage or issues with the mats are to be immediately reported to Casey Schell at 307-259- 7815. Any damages or theft are the responsibility of the club/entity using the equipment. The WAWA Treasurer (Rheanna Nelson) will contact the renting entity for approval, and payment information for a deposit. An invoice will be sent upon completion of the event.
