DIFFERENCE

H B G S

Huntington Beach Girls Softball league is a non-profit, volunteer run organization that serves over 350 girls and their families by providing spring and fall recreational sports programs. Through HBGS, girls age 5-16 develop important athletic skills, learn to work as a team and build lasting friendships, on and off the softball fields.

In order to continue offering these crucial developmental youth programs, HBGS looks to businesses and individuals for contributions. Your tax deductible donation directly supports the league to help maintain the fields, equipment, and make improvements.
