

## **2019 Northern Lakes Youth Hockey Association Board of Directors Application**

1. Your reasons for applying to be on the NLYHA board.

I am currently serving on the board, and I have 2 kids that play hockey. I want to help make sure that the hockey association they are a part of is a strong, and successful one.

2. Do you have any previous Board of Directors or Non-Profit organization experience?

I have been on the hockey board for the past 3 years. I have served on the gambling committee during that time. For this past year I have served as our association's Safe Sport Coordinator.

3. How do you plan on helping with the betterment and longevity of the Association?

I want to help by continuing to provide our kids what they need to be successful. Having successful teams at all levels makes it easier to recruit families that might be new to hockey, which in turn will help our association grow and remain healthy.

4. How do you plan on helping with the financial growth and stability of the Association?

As a 3-year member of our board's gambling committee I help oversee our association's charitable gambling operation, and I would like to continue to do so. Our association's families really do a fantastic job of fundraising. I want to make sure those funds are spent in a responsible way, in order to provide the kids, the best possible experience on the ice. Both gambling, and fundraising are essential to keeping our association stable and healthy.

5. Do you have the time to devote to attending the board meetings on a consistent basis? We meet as a board at least once per month and sometimes twice per month during the busier times of the year. You are also expected to be active in other sub-committees that support the association.

Yes. The past 3 years I have made attending board and committee meetings a priority. Being a board member is a big responsibility and I understand making it to meetings is very important.

6. Provide information about yourself/hockey experience.

My wife, Sarah, and I have been a part of this association for the past 7 years. Of our 3 kids, 2 of them play hockey. Jack will be a 2<sup>nd</sup> year Pee Wee, and Brady just finished his 2nd year of Mini Mites. Sarah has been the west mini mite team manager for those 2 years. During these past 7 years I have been a warm body on the ice, a head coach, an assistant coach, and a part time fill in door swinger. I have loved every bit of it.
