March 8, 2020

Dear USQRA Community,

The USQRA Board met in special session to discuss the potential impact of COVID-19, also known as the Coronavirus, on our National Championship Tournament. It is our opinion that at this time Nationals should progress as scheduled. However, if any team or players feel unable or unwilling to travel, you may withdraw from nationals without any league sanctions being levied upon you. If your team will be withdrawing from Nationals, we request notice be given to the Commissioner as soon as possible.

If any players are immunocompromised we would strongly encourage you to not travel at this time. Additionally, if you are experiencing any symptoms consistent with COVID-19 we strongly encourage you to seek immediate medical attention and to not attend Nationals.

We will continue to monitor reports and reserve the right to take any actions necessary to protect the USQRA community. This could include cancelling Nationals or informing teams from where an active outbreak of COVID-19 has occurred that they may not participate. We hope to not need to take these actions, but they will remain on the table. Please feel free to reach out with any questions or comments and we hope to see you in a few weeks.

Sincerely,

A handwritten signature in black ink that reads 'Eric Ingram'. The signature is written in a cursive, flowing style.

Eric Ingram

President, United States Quad Rugby Association
