*****Please refer to note below regarding adjusted game times for Opening Day based on Arena availability.*****

There aren't any games on the Long Weekends.

The Town of Halton Hills has allocated Georgetown Mold-Masters SportsPlex along with Acton Community Centre Arena as our venues for the 2024 season. Most of the games will take place at Mold-Masters Arenas with games also taking place at Acton Arena depending on arena availability for some Sundays.

*****IMPORTANT UPDATE REGARDING ARENAS*****

This year, Georgetown is hosting the OMHA Ice Hockey Championships, therefore the ice won't be removed at MoldMasters Fernbrook Arena until after the event. As a result, we will have to begin the season April 14 utilizing the Acton Arena facilities.

Since we have only the two arena on Opening Day April 14, games for the U8 division will be scheduled at 11:00am, 12:00pm or 1:00pm. Opening Day games for the U10 division will be scheduled at 1:00pm, 2:00pm or 3:00pm. Opening Day games for the U12 division will be scheduled at 4:00pm or 5:00pm.

The second and third arenas at Mold-Masters SportsPlex do not remove the ice until late April and mid-May, therefore we will continue to utilize Acton Arena for some games along with the one arena at Mold-Masters SportsPlex.

The official team rosters and team schedules will be released in April approximately 7-10 days prior to Opening Day and will be available on the league website or by accessing your Sports Engine account.
