Subject: 2024 Illinois State High School Championship Tournament Invitation Dear High School Hockey Club President/Head Coach,

The AHAI High School Committee wishes to extend an invitation to your team(s) to participate in the 2024 Illinois State Championship Tournaments. It is your responsibility to make sure this information is distributed to your team(s) in a timely fashion. In order to enter the 2024 Illinois State Championship Tournaments you must register completely on-line by doing the following:

1. Login to your private access web page at www.ahai2.org/organizations.

Contact your registrar if you have not received your password. The State Tournament link will be on the left side of the page in bright green.

After a team is registered and included on the High School State Tournament list a green link will be visible on the team page. Click the link to read State Tournament Registration instructions.

2. Fully complete the High School Registration Form for the 2024 Illinois State High School Championships Tournament.
3. Fully complete your High School Roster Form on-line.

Player Rosters including Player Number and Position must be entered online before access to State Tournament website will be granted. Your Tournament Contact and Coaches must be entered online. If you would like other staff members listed in the Tournament publications, you may also enter them. *(However, each team is only allowed a maximum of four (4) individuals as their official team coaches/managers).* Once rosters and staff have been properly entered, the green link will direct you to the password access tournament site.

4. Pay your 2024 Illinois State High School Championship Tournaments fees with Visa/MasterCard.
5. Rank teams against whom you have played or have seen play.

Once the tournament has been assembled and all teams have entered (*site closes on January 15, 2024*), you may return to the password access page for a list of contacts to arrange elimination games. Elimination games must be played between February 1, 2024 and February 23, 2024.

6. Certify your staff members against AHAI's Coaching Education Program and Screening Lists and make sure each is in compliance.
7. After January 17, 2024, fully complete the High School All-State ballot. Voting closes January 31, 2024. We would like to see 100% participation in the voting and ranking process from coaches and organizations. The selection process is only as strong as the level of participation and involvement from the coaches. The more involvement we have, the more accurate and representative we can make the teams from Illinois.
8. All elimination games are to be scheduled through the state tournament registration page and NOT your organization/team accounts
