

Coffee Flavor Description

Premium House Vanilla – *medium roast* - A specially blended selection of beans roasted both at medium and French roast specifications creates the base for this flavorful cup. We then add "double" vanilla flavoring for a vanilla lover's treat.

Creamy Peppermint - Creamy and minty with a tingle on the tongue, a Jingle for your Jangle, a Holly for your Jolly and Ho-Ho-Ho, too!

Jamaican Me Crazy - This rich new flavor is a bit of paradise in your cup - A swirl of vanilla, caramel, with a touch of Kahlua. Use your imagination with some cream, sugar, and you might as well be on vacation

Breakfast Brew - *Light Roast* - A blend of Central & Latin American coffees, cinnamon roasted. The taste is low in body, subtle in flavor with a slight snap for acidity.

Colombian Supremo - *light roast* - South American specialty with a fine, mild, satisfying flavor and a rich, full-bodied taste that includes a slight snap of acidity.

Vienna Decaf – *medium roast* - South American coffee which is naturally decaffeinated and blended after roasting with the perfect balance of light and dark roasts.

We use the proceeds for basketballs, practice gear, 1st aid kits, coach supplies, and to help keep the cost of playing basketball affordable for all kids. Thank you for your Support!
