Dear Panther Hockey Supporter,

We would like to take this opportunity to thank you for reading this and learning about our hockey program. Park Rapids Amateur Youth Hockey (PRAHA) has been around for several years. It was started by a great group of people who loved hockey and wanted to share it with our community. That love of hockey created the youth hockey program that we continue to grow today. Currently our teams are mites, squirts, pee wees, bantams, junior varsity and varsity.

In trying to grow this great sport, which develops life long skills such as teamwork, perseverance, and dedication, we cannot ignore that cost seems to be a large factor that deters young talented athletes from giving this great sport a shot. Between ice and arena fees, coaching, gear, and travel, this sport can be quite an expensive proposition for families of future athletes. This is where you come in.

We are asking for the community's help and fiscal support to grow as a town and strengthen a program that provides so much to our community-not only through developing a strong youth who will become our future workforce, but also by bringing in more tournaments, and therefore more hockey enthusiasts who financially can help boost our winter laden economy.

Please consider supporting a youth hockey team. With your support, parents will not feel the heavy burden of a youth hockey program that receives very little to no support from state or school funding. The goal is that we can grow our program, and at the same time, grow the community in which we live, work, and thrive.

See the attached available sponsorships and contact Kelsey Sharp at 218-255-2024 or PantherHockeyFundraising@gmail.com if interested. We will also be following up with you on this great opportunity. If you already know what sponsorship you would like please feel free to mail your contact information along with a check to the PO Box on the letterhead above and we will be in contact with you.

Thank you for your time and consideration!
