TIM DUNCAN CHATTAHOOCHEE HIGH SCHOOL

National School of Excellence

5230 Taylor Road
Johns Creek, Georgia 30022

Hooch Fans,

Welcome to the Arena, where memories, friends, and State Champions have been made since 1991. From these very stands we have cheered Football, Soccer, Lacrosse, and Cheerleading onto State Championships. When we come together, we wear blue and gold as we cheer on our mighty Cougars. We wear blue to symbolize the loyalty we have toward our athletic programs comprised of our students, coaches and boosters. And we wear the gold to symbolize success and achievement as seen through our accomplishments in the classroom and on the field.

As a National Blue Ribbon School and Georgia School of Excellence, Chattahoochee High School is continually ranked as one of the top schools in America. Such achievements, however, do not come easily, and they are not the result of a single student, teacher, or coach. We have reached these heights together. Motivated students, dedicated faculty, and supportive families make dreams a reality on a daily basis here at Chattahoochee.

Our continued success on the field and in the classroom is directly linked to the support of our community. I want to personally thank all the parents and businesses of The Hooch that contributed through their time, talents and gifts. I encourage everyone to reach out to our coaches to see how you or your company can contribute to our athletic programs. There are many ways to invest, but perhaps none better than investing in our athletes.

Finally, by displaying good sportsmanship in the stands and extending a warm welcome to our guests, we can ensure that Chattahoochee continues to be known as "a class act."

Welcome to The Arena,
Tim Duncan, Principal

VINCE STRINE

CHATTAHOOCHEE'S HEAD FOOTBALL COACH

Hooch Family,

Thank you for being a part of another great season of Chattahoochee Football. Your support of Chattahoochee Football as well as the many other athletic, academic and fine arts programs makes Chattahoochee one of the very best schools in the state. Without your support, the many traditions that Chattahoochee High School prides itself in would not be possible.

Our team will have many new players leading the way each Friday night, and that's what makes each year unique and exciting. Our season began long before the Friday night lights turn on. Our parents have volunteered countless hours to create a football environment that I am very proud of. Our players have spent many hours in the weight room, in the summer heat, and even running up mountains to create a brotherhood that will be remembered forever. We have new uniforms, a new field, new game day traditions, and a group of seniors who have forged an unmatched brotherhood. Together, we will make this season of Friday Night Lights a memorable year for our players and community.

Please continue to help by being the loudest and proudest fans in North Fulton. Thank you for being a part of Hooch Football!

Be Elite!

Thank you very much!

RYAN AMASON / #5

Who has been the biggest influence on your athletic career and why?

My dad because he always went out of his way to make sure I had everything I needed even when he didn't have to.

What are your goals after graduation?

To go to college and get an education.

What is a hobby of yours?

Flying airplanes.

What is the best advice anyone has given you?

Nothing that is truly good in life comes easy.

What is your favorite way to pass the time on the bus for away games?

Take a nap. Some of the best naps I have ever had were on the bus to an away game.

SPENCER ANDERSON / #83

What are your goals after graduation?

I plan to attend a Navy or Air Force (academy). If I don't get in, I'll most likely get my four-year degree and join the Navy shortly afterwards.

Do you have any pre-game rituals?

Sometimes I read my AP Lit assigned book. Other times I eat candy and watch one of Coach Strine's motivational speeches on YouTube.

What is your favorite sport besides football?

Ice hockey. I've played it for many years and have grown to love the fast-paced game.

What is your favorite way to pass the time on the bus for away games?

Watch "Shrek." There's nothing more motivating than watching an outcasted ogre go on a quest to save a damsel.

What is your most memorable Chattahoochee football experience?

2016 season at Dunwoody. It was the first varsity game I ever played in.

■ JORDAN COLEMAN / #12

Who has been the biggest influence on your athletic career, and why?

My parents because they have supported me in every sport, in every season, and in every athletic decision I have made.

What is the best advice anyone has given you?

Never give up. Rest when you need it, but don't stop trying.

What is your favorite sport besides football?

Track and field because I love training and seeing hard work pay off.

Who is your all-time favorite athlete?

Kyle Coleman because he works the hardest.

What advice would you give to underclassmen?

Take the opportunity because one day the opportunity won't be there.

■ XAVIER CRITTENDON / #99

What are your goals after graduation?

My goals are to go to college and study psychology. I aspire to be a counselor of some type.

What is the best advice anyone has given you?

Always believe and never give up in any situation.

Do you have any pre-game rituals?

Listen to a certain playlist, pray and I speak to my father.

What is your favorite way to pass the time on the bus for away games?

Listening to music and trying to clear my mind.

What advice would you give to underclassmen?

Stay as positive as possible and never get distracted from your goals.

JAKE GREEN / #75

What are your goals after graduation?

My goal after graduation is to play college football and to hopefully play professionally.

I like practice when ...

When we don't push the sled.

What advice would you give to underclassmen?

To all future linemen ... get ready to push the sled!

What is your favorite sport besides football?

My favorite sport besides football is shot put.

NICK HAN / #61

What are your goals after graduation?

To go to college.

What is your most memorable Chattahoochee football experience?

Getting injured before the season or after the season.

Who has been the biggest influence on your athletic career and why?

Coach Hill since he is the reason why I continue to play football.

How would you like to be remembered after you leave Chattahoochee?

Being that "one Asian dude on the football team" and being called "Mista Han."

What is a hobby of yours?

Playing on my PC or fixing my PC.

■ COLE HENDERSON / #43

Who has been the biggest influence on your athletic career and why?

My dad because he was my football coach every year leading up to high school.

What are your goals after graduation?

To attend the University of Alabama.

What is a hobby of yours?

Hunting in Alabama.

Who is your all-time favorite athlete?

Julio Jones because he is one of the best receivers to play for Alabama.

What is your favorite way to pass the time on the bus for away games?

Listening to music.

■ JAX HENDERSON / #50

Who is your all-time favorite athlete?

My favorite athlete is Tavon Austin. He is my favorite athlete because he is extremely undersized but still went No. 8 overall in the draft. This showed me that size isn't everything and anything is possible!

What is the best advice anyone has given you?

The best advice anyone has ever given me is "Be elite in everything you do, don't be a mental midget." - Coach Vince Strine

Who has been the biggest influence on your athletic career, and why?

The biggest influence on my athletic career was my 5th, 6th and 7th grade coach, Chris Hinton. Not only did he teach me football, he also taught me how to carry myself off the field as well.

What is your most memorable Chattahoochee Football experience?

My most memorable Hooch football experience was being a captain for our first game of the 2018 season.

What are your goals after graduation?

My goals after graduation are to go to college and become a millionaire.

ZACH JOHNSON / #52

Who has been the biggest influence on your athletic career, and why?

Coach Hill because he always pushes us to do our best no matter what.

What was your favorite football game and why?

Freshman year against Alpharetta because we absolutely destroyed them and one of our linemen accidentally caught a pass.

What is your favorite family tradition?

Every year for the 4th of July week we go down to Florida on vacation and just chill on the beach and fish.

Do you have any pre-game rituals?

Listening to Taylor Swift songs on shuffle until it's time to get ready.

What is your most memorable Chattahoochee football experience?

Last year all the linemen would all "Tebow" off the field after practice. It was just one of the things that I'll always remember about that team and the fun we had.

What is the best advice anyone has given you?

Your effort might not always result in a win, but as a result, you are always a winner for your efforts.

BEN LAWRENCE / #21

What is the best advice anyone has given you?

Be yourself and don't worry about what others think of you.

What is something most people don't know about you?

I lived in Minnesota and snow skied a lot.

How would you like to be remembered after you leave Chattahoochee?

I was a hard worker.

What is your favorite family tradition?

Playing dirty Santa at Christmas with my family.

When not playing football, I am ...

Working out and playing Fortnite (900 + wins).

■ BLAKE LEVY / #54

Do you have any pre-game rituals?

I listen to my music and relax in the wrestling room.

What advice would you give to underclassmen?

Enjoy the moments, even when you're hot and tired. Just enjoy it.

Who is your all-time favorite athlete and why?

Scott Hartnell because he always stuck up for his teammates and is not afraid to fight anyone.

What is your favorite sport besides football?

Hockey because of the speed and violence of the game.

I like practice when we ...

Do the Oklahoma drill.

■ DANNY MASSARONI / #63

What is something most people don't know about you?

I like to cook.

What is your favorite family tradition?

We always have seven fishes on Christmas Eve.

What is your favorite way to pass the time on the bus for away games?

Playing games and listening to music on my phone.

What is your favorite restaurant/bang-out?

Taco Mac.

I like practice when we ...

Are doing a lot of hitting drills.

AHMAD STEPHENS / #77

What are your goals after graduation?

My goals are to major in business and eventually own my own company.

What is the best advice anyone has given you?

My dad always told me to not be afraid to be great.

What is something most people don't know about you?

I like to write short stories about anything that comes to my mind.

How would you like to be remembered after you leave Chattahoochee?

I would like to be remembered as a good friend.

What is your favorite family tradition?

Going to my aunt's house in Missouri and getting together for a huge family dinner.

MAX WEBB / #1

What would be your Sports Center highlight?

My big run against Cambridge. It was on TV and kinda opened peoples eyes to what I could really do on the field.

What is the best advice anyone has given you?

Aim for the stars because if you fall, you will still land on the moon.

What is something most people don't know about you?

I play piano and ride dirt bikes.

What is your most memorable Chattahoochee Football experience?

Breaking 1,000 rushing yards in a season at home. The crowd reaction was incredible and I can still picture it in my head.

How would you like to be remembered after you leave Chattahoochee?

I want people to say I was an inspiration on and off the field. More than an athlete.

What advice would you give to underclassmen?

It's a grind, but stay focused. Time will fly and, in the end, it will be worth it.

■ MICHELLE PHANTJA / TRAINER

What are your goals after graduation?

I hope to impress the people above me in whatever healthcare field I become a part of and I hope to be the best of my class.

What is a hobby of yours?

All my life I've always tried to compete and challenge myself physically, which makes sense because a hobby of mine is working out.

What is the best advice anyone has given you?

Don't be afraid of failure. Put in the work towards success.

What is something most people don't know about you?

I played with the football team in 8th grade which is why the seniors this year mean a lot to me personally.

What is your most memorable

Chattahoochee Football experience?

HALEY ANTHONY

Who has been the biggest influence on your athletic career, and why?

My mom because she has supported me through all the long games, competitions and meets.

What are your goals after graduation?

I plan to travel the summer before my freshman year of college.

What is a hobby of yours?

I enjoy singing and cooking.

What would be your Sports Center highlight?

When I threw my full on the floor for the first time.

What is the best advice anyone has given you?

Can't never could and could only could cause they tried.

HAYDEN BALLARD

Who has been the biggest influence on your athletic career, and why?

After a long practice, my dog is always there waiting for me at the door when I get home and, in doing so, inspiring me to stay positive even on the worst days.

What are your goals after graduation?

I am looking to attend a four-year university with a double major in political science and international studies and minor in Spanish.

What is a hobby of yours?

One of my favorite hobbies is trying all of the flavors of Ben & Jerry's ice cream. My favorite flavor so far is Phish Food!

What would be your Sports Center highlight?

At the first game of my junior year season, we were running the flags after the first touch-down. As we rounded the corner, I slid on the track, taking the whole top layer of skin off my leg. However, the flag never touched the ground and I didn't look down to see if I was bleeding until after we finished the run.

What is the best advice anyone has given you?

Make the most of every single moment because life is way too short.

JORDAN HILL

Who has been the biggest influence on your athletic career, and why?

The biggest influence during my athletic career was my tumbling coach, Ryan Baker. He was always motivating me and reassuring me in my tumbling. He taught me how to be confident in my skills and try new things.

What are your goals after graduation?

My goals after graduation are to get into my desired college and embrace the new chapter of my life.

What is a hobby of yours?

A newly found hobby of mine is guitar.

What would be your Sports Center highlight?

A highlight in my cheer career was hitting our routine at regions in 2016. This was our ticket to state and the beginning of one of the best weeks in my high school career.

What is the best advice anyone has given you?

A piece of good advice I have received is that it is better to try and fail then to not try and regret.

SYDNEY HILLMAN

Who has been the biggest influence on your athletic career, and why?

My tumbling coach, Ryan Baker. He always motivates me to be the best athlete I can be and constantly reinforces the importance of dedication and positivity.

What are your goals after graduation?

My goal after I graduate high school is to attend a four-year university, most likely in the Southeastern Conference, majoring in public relations.

What is a hobby of yours?

In my free time I love discovering underrated, different music and making new playlists to share.

What would be your Sports Center highlight?

My Sports Center highlight would be looking down at two of my fingers bent at a 90-degree angle and learning that they were broken and competing two weeks later!

What is the best advice anyone has given you?

The best advice anyone has given me was from my former teacher Mrs. Paxton. She always emphasized "Your impact on this world matters."

BRIDGET HOFFMANN

Who has been the biggest influence on your athletic career, and why?

My biggest influences during my athletic career were my parents for being supportive and always motivating me.

What are your goals after graduation?

The best advice anyone has ever given me is to always have a plan B.

SAMANTHA WIDEM

Who has been the biggest influence on your athletic career, and why?

The biggest influence on my academic career is my sister because she cheered for many years and taught me many helpful tricks.

What are your goals after graduation?

My goals after graduation are to go to a college near here and get a degree in marketing.

What is a hobby of yours?

A hobby of mine is shopping. I love going to the mall with my friends as something to do.

What would be your Sports Center highlight?

My Sports Center highlight would be our first competition last year where we surprised ourselves by hitting all of our stunts and tumbling.

What is the best advice anyone has given you?

The best advice anyone has ever given me was to stop worrying about what others think about you because that gets in the way of you living your life.

■ ABBY WILLIAMSON

Who has been the biggest influence on your athletic career, and why?

All my coaches throughout my 11 seasons of cheering have been the biggest influences on my career. They always keep pushing me to be the absolute best that I can be. Without them, I wouldn't be who I am today.

What are your goals after graduation?

My goals after graduation are to go to college and maybe study something in medical or some type of art history.

What is a hobby of yours?

In my free time I enjoy relaxing in my room, spending time by myself and baking.

What would be your Sports Center highlight?

At the homecoming pep rally I tripped and rolled all over the floor, but still got up in time for our main stunt and it hit perfectly.
