

Travel vs REC*

2023 OSA Programs Summary

Travel Softball

Travel teams are perfect for the players who can commit to more games and weekend tournaments. All 10u and 12U travel players will attend tryouts for team formation purposes. Every attempt will be made to avoid turning any player away*. Teams are formed based on their birth year, so a team may consist of 3 different grades. (Example: a 3rd grader with a 2011 birthday can try out for 10U and be placed on a team with other 2010 and 2011 birthdays.)
