

SCHL SELECTS

What is SCHL Selects?

SCHL Selects is a tournament team made up of the top talent in the SCHL.

With a team at each birth year, SCHL Selects provides the best players in the league with an opportunity to play a higher level of hockey at an affordable price, while continuing to play for their regular SCHL team.

We are excited to showcase the talent we have in the SCHL and help our players learn, grow, and play the game of hockey, all while proving that town teams can compete with AA teams across the region.

EVERYTHING YOU NEED TO KNOW

Who is eligible to tryout?

Any player currently rostered on only an SCHL team is eligible to tryout. It doesn't matter if you are on an A, B, or C team, we want to see you at tryouts! Dual rostered players that play on other AAA/AA teams are ineligible.

If I make an SCHL Selects team do I stop playing for my full-season team?

No! The SCHL Selects season will be supplemental to your full-season SCHL team. You will play on both teams, and if a conflict arises where your SCHL team has a game at the same time as a Selects game, you will have to play in your regular season SCHL game.

How many games do the Select teams play and will there be practices?

Each Selects team will play a minimum of 10 games - in tournaments or against AA teams across New England. There will be 5-6 practices (roughly once a month), however, the practices are not mandatory.

How much does it cost?

The tryout fee is \$40. If you are selected for the team, the tuition will be \$300. Tuition will cover tournament fees and practice ice. If a team has two goalies, each will pay half tuition. Uniforms are not included and can be purchased for an additional fee (roughly \$70). If you already have a uniform from previous seasons you do not need to purchase a new one.

When are tryouts?

2014 birth year: November 4/5 at Driscoll Arena

2013 birth year: November 4/5 at Driscoll Arena

2012 birth year: November 4/5 at Driscoll Arena

2011 birth year: November 4/5 at Driscoll Arena

2010 birth year: November 4/5 at Driscoll Arena

How will tryouts work?

First Tryout: the players will be ran through a series of skill drills. The players will then be divided into two teams and will scrimmage for the remainder of the session.

Call Backs: SCHL will release a list of players that have been invited to the Call Back tryout. This smaller pool of players will be split into two teams for a scrimmage.

How many players will make the team?

Each team will consist of 17 players - 9 forwards, 6 defenseman, 2 goalies.
Each team will also have 6 alternates - 3 forwards, 2 defenseman, 1 goalie
