

WEST FORSYTH

GIRLS LACROSSE

UNIFORM POLICY

WFHSGGLAX has issued uniforms to players without any guarantee of the uniform being returned. We have had instances where a portion of a uniform is returned, pieces damaged or the player did not return the uniform. The replacement cost for the uniform pack is \$350/player. Implementing a uniform policy eliminates the burden of the coaches and board by putting the responsibility to return the uniform on the player. For items that are not returned to the program, the deposit contributes to the replacement of damaged or lost items.

The “uniform contract” requires the signature of the player stating that she received a complete uniform pack containing the 2 skirts and jerseys and is responsible for returning the uniform pack the way it was distributed.

Deposit of \$150 required for all players. Uniform pack WILL NOT be issued without the deposit.

Check will not be deposited -- it will be dated for May 1, 2020 and stapled to the uniform “contract”.

Check returned or destroyed when the undamaged and complete uniform set is returned at the end of the season.

If any part or entire uniform is damaged or lost, the check will be applied to the replacement cost of uniform / uniform pieces to be replaced.
