

MEMBER BENEFITS 2024

Dear SCMAF Member,

It's time to renew your SCMAF membership for 2024.

First SCMAF would like to thank you for your Agency's Membership with us. At SCMAF, we are continually striving to provide insurance options, sporting events, trainings, and networking opportunities to enhance your programs. SCMAF is here for you!

Your Membership helps you and your staff to create successful sport programming in the Southern California area. Why are sports important? Research shows that participating in sports can lead to immediate and long-term benefits for youth, their families, and communities.

As your renewal date approaches, we realize that budgets may be tight, but we respectfully ask for your continued support by renewing.

We will continue focusing on our mission of providing support for our members and to strengthen our mission to create healthier communities through sports and physical activities now and in the future.

We appreciate your continued commitment. Our organization will continue to grow and progress because of your support. Together, we will work on the future of recreation sports and enhancing sports programming for your communities.

We look forward to our continued partnership. If there are additional ways we can help your agency, please contact us.

Stay Connected!

Sincerely,

Tim Ittner - Executive Director
