We grow old because we stop playing."*

About Us

From the beginning of this group's existence in 1938 — when the sport of skiing was in its infancy — the Bogus Basin Ski Club was there. The club owned and operated the first rope tow at Bogus Basin. The cost was \$25 per year to be a member and use the rope tow. The membership cost today is only \$26.50 — a \$1.50 increase in 80 years!

Our focus continues with its original mission of helping everyone enjoy the sport of skiing. We are an adult club (age 21 and older) that focuses on year-round activities for all ages including family functions.
