

Junior Spartan Boys Basketball

Junior Spartan Boys Basketball Coaches ,

I would first like to thank you all for volunteering your time towards creating a positive experience for our Jr. Spartan athletes during the upcoming season. Your dedication and commitment to our youth is greatly appreciated and does not go unnoticed.

Please review the Coaching Handbook prior to submitting your application. The document discusses the mission statement, participation requirements, team selection, and a number of other important topics.

As youth coaches, it is required that you fill out and return the Coaching Application that can be found on the Jr. Spartan website as soon as possible. If you are a NEW Coach this year, please fill out the entire application and return it to me as soon as you can. Make sure to put a check in the box stating that you are a new coach for this season. If you are a RETURNING Coach, you will need to fill out the information on the first two (2) pages of the application. Make sure to put a check in the box stating that you are a returning coach from last season. Again, please return the application to me as soon as possible so that everything is completed for the start of the season.

All coaches, **both new and returning**, need to fill out an Elmbrook School District Volunteer Form. This form is required so that background checks can be completed allowing our coaches to work with our youth athletes. The link to access this document is provided below. It only takes a few moments to complete and also be submitted as soon as possible.

In addition, we will need all shirt sizes as soon as possible. You can include this information when you submit your coaching application.

Thank you again for volunteering for the Jr. Spartan Basketball program. I look forward to working with you this season and providing our youth with a positive and educational experience.

Sincerely,

Joe Rux
