ATHLETIC DEVELOPMENT

PRIME Skill Development Camp-(Hosted by Midwest Athletics) August 27th-29th | Boys & Girls 3rd-11th

Prime Athletic Development is focused on individual skill development centered around a team first concept. Prime Athletic Development has developed unique opportunities for numerous Southeastern Michigan elementary, middle and high school students with our weekly training sessions. We are pleased to offer the Skill Development Camp August 27th-29th at Basketball City in Roseville, MI

The 3-day skill development program is designed to enhance players strengths and weaknesses. The program will include working on all aspects of a player's game. Players will enhance their basketball IQ to apply in game situations. Prime Athletic Development workouts will be highly intense and very competitive. The goal is to see players progress through the program with a renewed confidence and better feel for the games.
