

From the Head Coaches:

We are honored to have established so many partnerships with businesses from the local area. We could not continually improve the program without the help of businesses and individuals from within our local community.

We thank those of you who have already donated and we look forward to working with you for many years to come – we also look forward to creating new partnerships to help facilitate the advancement of the program.

Thank you for helping to create a program that the athletes, school, and entire community can take pride in – you make us proud to teach and coach in the Archer school district and Gwinnett County.

Sincerely,

Jennifer Crawford (Girls Varsity)

Allan Rakowiecki (Boys Varsity)

Archer Goal Club, Inc.

The Archer Goal Club is dedicated to developing a top-level soccer program that offers its student-athletes the best opportunity to succeed. Last year, there were over 80 student-athletes involved in the program. It is our goal to raise money in order to satisfy many short-term needs:

- Game/Practice Equipment
- Game/Practice Field Maintenance
- Concession Stand Supplies
- Pre-/Post-Game Meals
- Post-Season Banquet and Awards

Aside from the short-term, we also have several long-term goals including: tournament costs, facility upgrades, and scholarship opportunities for graduating players.

Please keep in mind that we are open to any type of donation – if you would feel more comfortable contributing equipment, supplies, food items, apparel, etc. please let us know. We are also open to any type of monetary donation that you would be able to contribute – “a journey of a thousand miles starts with a single step”.
