Role Clarification:

Secretary - We have not had a secretary for years. The decision was made to eliminate that position going forward – the chair has taken notes during our meeting and prepared the minutes as well.

Vice Chair – Shannon volunteered and will continue in this role.

Revised Timeline: As part of reviewing our documentation some additional changes were made. The timeline is attached.

Goalie Proposal: Mark Peterson emailed out a proposal for goalies and presented it at our meeting.

Action items:

1. PDC will add a goalie coordinator position for one year. This would be a nonvoting member and their focus would be only goalies. This proposal is design to work along side of Trios and coaches to coordinate our goalie development.
2. We agreed to open this position and review applicants at the May meeting. The applicants will be welcome to attend the meeting and answer questions. An individual will be selected at the May meeting.

Survey Review: We reviewed the survey results and the comments. Expand – evaluations, PDC role communication, update handbook and policies, evaluations process
