New Business:

- *Coaches Committee Updates (Andy)* - End of the year coaches meeting. Went over the end of year coaches survey. Coaches are looking for help from the board on player discipline, mostly about being in line with policies and disciplinary actions. Coaches wanted more flexibility to the off ice training sessions. Do we want to do this at the 8U level next season? We need to figure out what the budget is going to allow with getting extra skills sessions for every level next season.
- *Recap of meeting with the rink (Dan)* - [Meeting Notes](#)
- *End of year parents survey (Jason)* - Do we want to do a parent survey this year. If we have a template, we should look it over and make sure the questions line up with what we want to get out of it.

Old Business :

- *Jerseys for next year - [Summary Comparison](#)*
 - Ben and Tessa from Little Big Promotions. Production time is 4-5 weeks and we would get it in hand in 6-7 weeks. Jerseys could be ordered at any time throughout the season and we would not have to wait for a bulk order to process. They can do lots of other things besides just uniforms. Average jerseys would run \$60-\$70 each and \$30 for socks. They can match our current jerseys so families would not have to purchase jerseys for their existing player if they wanted. We should also look into separate socks for the white jerseys.
 - Grant Gorman that runs the rink pro shop. Can match the jerseys close enough that people would not need to buy new ones that didn't need to. Endeavour hockey would be the supplier. They are based out of China. A link could be provided during registration and taken to the manufactures site for ordering. \$59 per jersey and \$22 for socks. Sizing could be done in the pro shop. Turnaround time is 2-3 weeks plus 3 days shipping.
- *Senior Scholarship Applications* - There is no official application process through OYH to apply for this program. We just want to show that we support the seniors in their next stage in life. *Andy Meyer will put together a rough draft to submit to the board for approval. The form is live and open until the end of the month. Dan will check with a senior player to see if it got to them.*
