

PARENT CODE OF CONDUCT

It is the policy of the Scarborough Stingers to provide a safe and fun environment to play competitive baseball. A positive, respectful, and encouraging environment from everyone involved (coaches, players, umpires, parents/guardians and spectators) is vital.

- I will respect all players, coaches, opponents, game officials and spectators.
- I will encourage my player to play by the rules and to enjoy the game.
- I will enforce respectful behavior of my player towards all coaches, players, umpires, and spectators.
- I understand that team coaches are the designated representatives of the team and they alone will address any and all concerns towards officials.
- If I have a concern that needs to be addressed with a coaching staff member, I will address this concern in private, and in a calm and respectful manner. I understand that I may also contact the coach by phone and/or email as needed.
- Recognize that every member of the Scarborough Stingers is a volunteer. Help and encourage all volunteers whenever possible to allow them to work to the best of their ability.
- Recognize and applaud good play by your player as well as members of both teams.
- Failure to comply with this code of conduct may result in disciplinary action.
- Scarborough Stingers enforces a zero tolerance policy towards situations of harassment or abuse directed against game officials, players, coaches or spectators using any of the following, but not limited to, methods of verbal, email, texting or social media.

Parent Responsibilities:

- Try to ensure your child arrives at a game or practice according to the coach's instructions. If you can't make it, please inform the coaches ASAP.
- Never leave your child alone without informing the coach or asking another parent/guardian present to look over his or her welfare.
- When leaving the park, ensure everything has been picked up and nothing is left behind, including trash.
