- There are still a few of you that have not picked up your team sweatshirts, they are available for pickup in my room (704). Please drop by to get yours!
- Check our Team Page for race results Monday. If there are any issues you will need to bring them to my attention before Wednesday following each race.
- This week's team Masses is Thursday Jan. 17th at 7:25 am in the Chapel. Your attendance is required at every team Mass in order to letter. Get there early and don't forget to sign-in.
- How did your race go? Was it too easy or too hard? You are allowed to change race courses. This change must be done through me and before Wednesday afternoon. You should not just show up at a different course, your name will not be on their master list.
- **How to handle a DNF.** If you fall during the race and can still make it around the next gate without missing the one above you should continue. However, if you fall and miss a gate do not continue on the course. Gather yourself/your equipment and move off the course ASAP. If you lose a ski you will automatically receive a DNF. Gather your equipment and move off the course ASAP. A DNF gives you credit for the race and gives our team 1 point.
- **This is the last week to sign up for the trip to Utah!** You must be signed up by Friday, Jan. 18<sup>th</sup> end of day if you want to go. If you have already signed up, please get your deposits turned in ASAP.
- Any questions please come and talk to either Mrs. Shanahan or myself (Mr. Franklin). Ski hard and have a great time!
