

## Hitmen Announce 2023-24 Staff

Owner Bobby Reiss & the Reiss family continue to re-invest and allocate additional resources to improve student athlete's experience at the Ice Vault Arena. Resulting in the most comprehensive player development program in the east, the Hitmen are a nationally recognized preeminent cradle to college long term athlete development program. The common sense, family friendly responsible and serious alternative to the popular academy or "super team" recruiting model designed to satisfy rank driven ego's, the Hitmen take pride in developing home grown talent in an environment that prioritizes balance, consistency, and humility.
