Dan Connolly
Head Coach
Marshfield High School Hockey
2022-23

Dear MHS Hockey Players, Families and Supporters,

Let me take this opportunity to Thank You for a very successful hockey season for our program. The players worked hard in the off-season on and off the ice to get ready.

We are always teaching the boys that Family, School and Community should always come before hockey. Those are the pillars of who we are and it is important for the boys to learn that. The boys did an amazing job carrying out our off ice motto "Pay it Forward", by committing to numerous community service projects in the fall and winter.

The Coaching Staff was excited to Coach this group of boys this season. They always worked hard on and off the ice. They were a fun group of boys to Coach and to be around.

We also would like to thank the parents for all of their support of our program. Strong parental involvement leads to a stronger program. Please continue to support all the players in a positive manner. Go Rams!

Sincerely,

Dan Connolly

To the MHS Rams Boys Hockey Community,

Another great year in the books for our Marshfield Boys Hockey Teams! This year we had an unprecedented amount of parent volunteers and business sponsorships which both are the lifeline of our program. A driving force behind the success, is this overwhelming support of our sponsors and families. Their generosity and support allow 70+ hockey loving kids to wear a Ram's jersey and fill out rosters for three complete teams. This would be impossible without all the tremendous support and for that we are most grateful!

The Marshfield Boy's hockey teams had another successful season. The JV teams combined played close to 60 games and we were the only town to play that many games in a season. In addition to their regularly scheduled games, the JV Green and White teams participated in the Winter Classic (JV White Champs!), Green Cup vs Duxbury (JV White Win!) and the Sunday night Bog League (JV White Champs!). The Varsity team jumped right into their pre-season with a trip to CT for a scrimmage vs Darien and then on to the Garrett Reagan Summit. That was followed by the MHL Pat Serio Cup, Green Cup (Varsity Champs!), a once in a lifetime opportunity scrimmage at Fenway Park, Ed Burns Coffee Cup, and the D1 Massachusetts State Playoffs where they made an Elite 8 appearance. Varsity finished as the Patriot League Keenan Division champs going undefeated with a 14-0 record! Congratulations to Coach Connolly on his 350th win on January 27 versus Silver Lake!

The Coaching staff are at the core of this successful program. Without their dedication and hard work none of this would be possible. Another important element of the program is the community service and fundraising events. The 2022 year began in the spring with the annual Car Wash which presented great momentum heading into September with our enormously successful 30th annual Hockey Golf Tournament and was followed up by the annual Street hockey tournament in October. The Friends of Marshfield hockey not only raises funds to support the program and associated expenses, but also looks for opportunities to promote leadership and character development through service, volunteerism and community awareness. The Senior Citizen and yard cleanup day, and this year we started a new partnership with the Great Blizzards hockey program which we look to expand next year, are examples of our commitment to making a difference in the community in which we live. We held not one but two food pantry drives and collected over 1000 pounds of food for the Marshfield Food Pantry. These events were rewarding and presented opportunities for the payers and MHS Boys hockey community, to give back and build character off of the ice.

Thank you for giving me the opportunity to serve through the years. One can say it is far more rewarding to give than it is to receive, but the joy watching our sons play, the lifelong friendships made along the way and the lasting memories we all have, we received far more in return than we ever gave. This is what FOMH is all about!

In closing the FOMH and the MHS Boys hockey program have never been stronger. We do it for the love of hockey and for all the game gives back to us in return. Get involved. Work Hard. Be compassionate and kind and know that there is nothing better than being a part of the sport you love, for the town you live in. Embrace every moment for it goes by quick! Proud to be a Ram!

What a season you had, congratulations! We are so proud of you! #29, you left your mark for sure!! Can't wait to continue watching you play hockey next year and doing what you love!!

Love you, Mom & Dad

Connor ~

We are so proud of you! It has been a pleasure to watch you play the sport you love so much. Thank you for allowing us to come along on this journey with you. We wouldn't trade one minute of this experience for anything.

We would like to congratulate you and your teammates on all of your accomplishments over the years. We can not wait to see what the future holds and have no doubt that you will be great. Just stay out of the box!

A special thanks to the coaches and all their time and efforts spent with the boys.

Love, Mom, Dad, Ned and Joe

Proud of You Connor Merrick, #17!

Proud of our Captain #8!

Jake ~

Watching you play hockey all these years has been so fun and exciting for our entire family. We have loved every minute of it. We are so proud of your dedication to the game and your loyalty to your teammates. We admire the respect and commitment you've always given to your coaches.

You've always worked hard and pushed yourself to become the leader we always knew you'd be. Thank you for all the incredible memories and amazing friendships hockey has given to all of us. We are so proud of our Captain #8!

We love you so much, Mom, Dad, Max, Liana& Kendra

Your Passion for the Game!

CROFTY

Jack,

The past 12 years of watching you play hockey has been a joy for both Mom and I. Your passion for the game, how hard you work at it are so amazing! The work ethic that hockey has instilled in you will carry you a long way in life. Please know how proud we are of you and how fun you are to watch play this game.

Whatever the future holds for you, we will always be there for you rooting you on. We may not always be in the stands, but we will be watching!

Love, Mom, Dad and Sean. P.S. We love you Charlie!

Jake Reisman #4 Proud to be a Ram!

Jakers,

What a privilege it is to be your Mom. I have loved being your number one fan. The memories you have being on the ice with your teammates and friends, playing in front of all the fans, are memories that will last forever.

What I have loved more than watching you play hockey is being witness to the friendships you have made along the way. These are the friends who will always have your back, both on and off the ice. I was most proud of you this season, watching you be the caring and compassionate kid that you are. Keep being you Jake. Go out and make a difference in this world and bring with you all that the game of hockey has taught you! Love you everywhere.

Love, Mom

THANK YOU!

A NOTE OF THANKS!

To **Coach Connolly, Coach Genovese, Coach Sheehy, Coach Luongo, Coach Herson and Coach Manning**, we can't Thank You enough for your commitment to this group of boys. You dedicate so much of your own time to this program and you teach our boys so much more than the game of hockey and for that we are forever grateful. The players will not soon forget the positive impact you have made in their lives.

To the FOMH hockey Board and at large board members – **Maria Doherty, Craig Garland, Rebecca Ewell, Bill Quackenbush, Jay and Laurel Kenny, and Katie Holte**, I can't thank you enough for all you did for the program this year. Until you are involved in the day to day running of this program, you don't realize how much work it actually is to keep things moving. Thank you for your persistence, your creativity and endless hours of work behind the scenes to make things happen. Your commitment and selflessness to our community is to be admired!

To Our Senior Parents

To the Crofts – Thank You for generous donations through the years, the Crofty pep talks for the boys, Coaching the boys during their Youth hockey days, Coordinating the Sr nights and always opening your doors at the Roadhouse to all of us. Crofty's Corner will not soon be forgotten!

To the Burkes – Thank you for always offering the extra help at our events, the basket donations for the golf tournaments and of course, the Red Sox tickets you donated that were raffled off each year that always raised a ton of money!

To the Landrys – Thank you for always offering to help out at our events. I could always rely on you to work a table, or sell raffle tickets or to do whatever we needed done. Whether it was the golf tournament or Sr Night, you were always there! You kept our program connected with all that was going on in the Middle School as well. Thank You!

To the Pozerskis – Thank you for showing us first hand the importance of giving back to our community. From being the "founder" of the leaf raking volunteer day, to watching your contributions to all students with all you coordinate at the High School, you lead by example.

To the Healeys – Thank you for always checking in to see if there were any last minute things that were needed. Thank you for your contributions to the pasta parties and for being an avid supporter of our program for 6+ years.

To the O'Briens – Your attention to detail is way better than mine, so I always appreciated the extra set of eyes and reminders when something was forgotten. Thank you for always helping out at all of our events, for always providing valuable feedback and for always offering to contribute in any way that was needed.

To the Quackenbushs – Bill, thank you for your commitment to the board, always being the one to have to do the physical labor at the events, and for your years of dedication to the program starting with Brennan many years ago. Stacey, thank you for always being one of the first to offer to get food for a pasta party or bus ride or whatever was needed. Thank you for always donating to our golf tournament and Thank You for giving our boys the best looking heads of hair anyone else at the tournament ever had. You provided a lifetime of memories and we love that the tradition continues!

To the Merricks – Thanks for always being the life of the party! Thank you for always being so generous with your time, your money and for always answering the calls when we were in need. Thank you for Coaching the boys during their youth days! And Thanks for bringing Spaz along for the ride! We freaking love you!

To the Hemingways – Thank You for always being a ray of sunshine and for always making everyone feel good about themselves. Thank you for always answering the call to help (even when it was last minute). Thank you for being the Uber to the games for all the Moms. Thank you for your generous support of our program through the years, especially the amazing new custom benches in the locker room that are sure to get years of use!

To Everyone that has been a part of these amazing 4 years..... Thank You for the laughter, friendships and memories. It has been a privilege and blessing to be a part of something so wonderful!

Stacey
