

Potential Miami United Volleyball Sponsor,

The mission of Miami United Volleyball (MUV) is to promote and support the growth of boys volleyball in the South Florida area. MUV provides athletes with high-level technical skills training, competitive playing opportunities; and tactical and educational training in a positive learning environment that fosters personal growth and development; and a passion for the game of volleyball.

At MUV, we are committed to ensuring that every MUV athlete has a positive experience that fuels their love of volleyball and competition. While we do provide our athletes with the highest caliber of volleyball training, it is equally important that athletes learn life lessons that will stay with them long after their volleyball career comes to an end. Our coaches are mentors, role models, and above all, teachers. We will teach our athletes to be disciplined; compete and train at full maximum effort, be a supportive and positive teammate; be a problem-solver, push beyond their comfort zone, and compete with confidence and enthusiasm. We are very fortunate to have an outstanding group of coaches and staff, upon whom our athletes can rely on for instruction, guidance, and support.

MUV is a family. Our older athletes work with and get to know our younger athletes, and our teams support and cheer for each other whenever they can. Volleyball opens many doors for male student athletes who need assistance financing their higher education. We are very proud to be a part of these processes.

Your sponsorship will help assure the success of Miami United Volleyball and the South Florida boys volleyball community. The funds provided by you and/or your company will be used to provide financial aid to athletes, equipment, operating fees, apparel, court fees, miscellaneous items provided to our members, and the vision of expanding the volleyball community of Miami for athletes of all ages. MUV hopes you will consider sponsoring our club and this excellent group of talented athletes in their endeavors to pursue their passion of volleyball. We have included a detailed sponsorship tier program for your review. If you are interested in becoming a sponsor of Miami United Volleyball, please don't hesitate to contact us. Thank you in advance for taking the time to review our sponsorship program.

Sincerely,

Chris Kallinosis
