PREAMBLE

Although the Manitoba AAA U18 Hockey League officially began with the 1985-86 season, the foundation for the league was laid a year earlier when representatives from around the province got together and the regional team concept was first implemented.

For the 1984-85 season, organizers proposed that an eight-team league be split into two four-team division with each of the teams playing host to a two-day tournament featuring teams from their own division. One final tournament would be held in which the top two teams from each division would participate.

The overall objective was to compete at the Branch, Western Regional and National Air Canada U18 Championship.

A list of competing teams for the 1984-85 seasons has not been confirmed, but it is known that the rural division consisted of teams in Pembina Valley, Southwest, Interlake, Yellowhead and Brandon. The Winnipeg Stars won the provincial U18 championship, defeating Pembina Valley Hawks in the City/Rural finals.

The inaugural 1985-86 Manitoba AAA U18 Hockey League season featured nine teams – Winnipeg (St. Boniface) Saints, River East Royals, Winnipeg South Monarchs and St. James Canadians in the City Division and Pembina Valley Hawks, Southwest Cougars, Brandon Wheat Kings, Parkland Stars and Interlake Raiders in the Rural Division.

For the 1986-87 season, the league had grown to 12 teams – seven in the City Division (Winnipeg Saints, Winnipeg Monarchs, Norman Northstars, River East Royals, Winning Stars, Kenora Boise and St. James Canadians) and five in the Rural Division (Brandon Wheat Kings, Pembina Valley Hawks, Southwest Cougars, Parkland Stars and Eastman Selects).

The City/Rural format continued into the 1987-88 season with Winnipeg Monarchs, Winnipeg Saints, Winnipeg Hawks, Norman Northstars and Kenora Boise making up the City Division and Southwest Cougars, Brandon Wheat Kings, Yellowhead Chiefs, Eastman Selects, Pembina Valley Hawks and Interlake Raiders forming the Rural Division.

Today, the league is made of 13 teams, playing in one division.

Unfortunately, for the first three years after the league was officially formed (1985-86 through 1987-88), information was not compiled as accurately or completely as it has been in recent years. As a result, the statistical picture for the first three years is incomplete.

No individual statistics are available from the 1985-86 season, but some records from the 1986-87 and 1987-88 seasons have been gleaned from a number of sources – league record books, individual team records and newspapers. Because the records are not complete, they are therefore not considered official.

Any information from those first three years is most welcome, but I would particularly appreciate any information from the following teams – Eastman Selects, Kenora Thistles, Norman Northstars, Pembina Valley Hawks, Southwest Cougars, Winnipeg Saints, Winnipeg Monarchs and Winnipeg Hawks.

Beginning with the 1988-89 season, the information, statistical and otherwise, is much more accurate and is well documented in the following pages.

If anyone can provide missing information or offer corrections to what is included, especially prior to the 1988-89 season, it would be greatly appreciated. Please don't hesitate to contact the league as this compilation will be updated each year and with each new printing, updates and/or corrections can be made to earlier information.
