## **THA COVID-19 Operating Policy and Procedures Update #14:**

### **Important Information in regards to a COVID-19 Positive Test and Exposures.**

We have been notified of a positive COVID-19 test and exposure with our U10 Black Team. In accordance with CAHA and THA COVID-19 Operating Policy and Procedures the U10 Black Team is under a ten-day quarantine. All practices, skills and games for the U10 Black Team are immediately cancelled and the team can return to team activities on Wednesday January 20, 2021.

These positive tests and potential exposures along with recent increase in COVID-19 cases regionally and nationally we want to remind everyone to remain diligent in our efforts to prevent the exposure and transmission of this virus.

Appreciate your support and understanding as we continue to navigate these unusual times.
