Mission, Vision and Purpose

Mission--By providing hope and positive vision, Optimists bring out the best in youth, our communities, and ourselves.

Vision--Optimist International will be recognized worldwide as the premier volunteer organization that values all children and helps them develop to their full potential.

Purposes--To develop optimism as a philosophy of life utilizing the tenets of the Optimist Creed; to promote an active interest in good government and civic affairs; to inspire respect for the law; to promote patriotism and work for international accord and friendship among all people; to aid and encourage the development of youth, in the belief that the giving of one's self in service to others will advance the well-being of humankind, community life and the world.

The Plainfield Optimist Club facilitates a variety of sports, academic, and community youth programs designed to empower and inspire our Plainfield youth. Plainfield Optimists take pride in the fact that our club has 90+ active members who serve over 2,000 local children each year. All of our programs are made possible through donations made by generous sponsors and fundraising activities each year. The club also hosts a number of events throughout the year. These events allow the opportunity for fellowship with other Optimists, community outreach, recognizing youth achievements, honoring local leaders, and strengthening the fabric of our community. The optimism demonstrated in our community, schools, on the sidelines, and from the fields is what makes our Club successful. We invite those of you who have an interest in the encouragement and development of our youth to join our club.
