

ODC Park Rules

Please be respectful of others. Remember, we are here for our children to have a safe and fun environment. Sportsmanship begins with the parents. Please remind any of your guests of these rules.

No Foul or Offensive Language or Behavior.

No coolers may be brought into the park. There is a full concession stand.

No pets allowed in the park.

No alcoholic beverages.

There is plenty of parking around the ODC Park. However, please make sure you only park in designated parking spots. If you are not parked between 2 yellow stripes, you are not in a parking spot. Emergency and fire lanes must be kept open. If the ODC parking lot is full, you can park in front of ODC, across TC Jester, in the lot behind the TBall field or behind ODC in the warehouse complex. Do not park on or near any city sidewalk as the city will tow or ticket those vehicles.

Please keep your speed under 10 m.p.h. There are children constantly running around in the park.

Please DO NOT ENTER through the back gate. It is EXIT ONLY.

The driveway through the park on the right field side of Field 1 is ONE WAY. Please do not drive from the back lot the WRONG WAY so you can exit the front gates. You should exit the back gate if you are in the back lot or parking along the right field fence on Field One.

Please observe and follow all signs and ground markings.

Failure to follow these rules may result in you or your guest being asked to leave the park.
