Why consider sponsorship?

Sponsorship is a great way to support the youth in the community and gain business exposure at the same time. With over 120 hockey players, advertisements are seen by many spectators, including family and friends all season long. Our rink hosts multiple weekend tournaments, in addition to games, throughout the season - drawing crowds from all over Wisconsin and Michigan. On a daily average your ad will be viewed by visitors from the tri-city area, student and adult athletes/coaches and parents watching practices. In addition, the Rec Center hosts community open skate sessions, recreational hockey leagues and tournaments, and organized events such as birthday parties. Your investment will be seen by thousands of people each year.
