

## Required Guidelines for use of

### The Brookings Fastpitch Softball Association Club Fastpitch Facility

- 1) All individuals utilizing the facility must sign the Covid-19 updated Brookings Fastpitch Facility Waiver and follow the additional guidelines in this document and articulated on the waiver.
- 2) No more than 15 TOTAL individuals (players/coaches/parents/etc.) are allowed in the facility at any one time. This includes during the drop-off/pick-up of players. Parents are asked to remain in their vehicles in the parking lot. Do not enter the facility until your assigned practice time.
- 3) All individuals utilizing the Brookings Club Fastpitch Facility are encouraged to follow CDC Guidelines in regards to wearing cloth masks (specific for breathing not playing) and will be supported if choosing to utilize masks in the facility.
- 4) Prior to beginning any activity in the Brookings Club Fastpitch Facility any equipment (including but not limited to softballs, gloves, bats, tees, softball face guards, batting gloves, etc) owned by BFSA or individuals must be cleaned with provided antibacterial sanitizer by the team entering the facility.
- 5) Individuals should practice social distancing and avoid being within 6 feet of other individual per CDC Social Distancing and Brookings City Council Ordinance guidelines.
- 6) Physical Contact between individuals at any point in the BFSA Club Fastpitch Facility should be strongly discouraged and eliminated to the greatest extent possible.
- 7) The location of hitting stations will be pre-set for use within the BFSA Club Fastpitch Facility by the BFSA Equipment Manager. These markings should serve as guides to remain 6 feet apart. The tees can be moved to allow other activities during practice. Hitters should work individually and set their own balls on tees.
- 8) Upon completion of an individual's or group's activity in the BFSA Club Fastpitch Facility any and all equipment (including but not limited to softballs, gloves, bats, tees, softball face guards, batting gloves, etc.) owned by BFSA or individuals must be cleaned with provided antibacterial sanitizer. Additionally the entrance door to the facility should be wiped down with anti-bacterial sanitizer.
- 9) The bathroom facilities of the Brookings Club Fastpitch Facility will be available if the coach chooses to have them open for use but coaches must sanitize the bathroom facilities after each use of the bathroom facility.
- 10) Please refer to the [practice facility schedule](#) to ensure you are not utilizing the facility during a team practice, to ensure we have no more than 15 TOTAL individuals on-site.
