Make Memories

Our kids learn the value of sportsmanship and how to play in a group dynamic – PLUS, they have fun!

Interested to UMPIRE?

Playing baseball is a starting point for our kids. As they grow with the game, in the year that they turn 13 years old, they can be employed as an umpire with our league.

It is a great first job for kids, learning how to interact with others, applying rules to ensure the game is played correctly.

IF interested, please email our Umpire-In-Chief at umpires@westhillbaseball.com.

Interested to VOLUNTEER?

We are operated by volunteers like you! IF you would like to help with any of our events, please email Mike at:
