

Brothers and Sisters,

Today my bulletin article is meant to give you some deeper resources from my homily. As you heard in the Gospel Jesus gives to us the Two Great Commandments: To Love God and Love our Neighbor. In order to do so and live the joyful life of discipleship that we called to by Jesus I encouraged you to live a life of virtue and holiness. I also mentioned the Corporal and Spiritual Works of Mercy as concrete actions of loving God and Neighbor. Here are some resources for you to study, understand and apply to your life. The life of discipleship is a life of joy free to give ourselves, in love, to God and our neighbor.
