

LEARN TO PLAY ICE HOCKEY

Description: No prior skating or hockey experience is necessary. Teaching kids how to skate is what we do!

Our focus is providing a fun, safe, and exciting experience for all kids to learn how to skate and to begin learning the basic skills of ice hockey. We will play some "hockey" the last ice time of Session 1 and the last few ice slots of Session 2. These games are NOT our focus. Our focus is F- U-N! We may add in a little skill development along the way.
