 - High School Boys registered - Need to determine if we need to recruit more players and do we need to english Brandon for help to recruit for the spring session.
 - Discussions about who will be the head coach. Will Alex be the head coach?
 - There are rumors about U14 players playing for the high school team. The kids are already wondering who is making the teams etc. We do not have numbers yet to determine who is (if anyone) is getting pulled up. The discussion will continue during team formation.

 - o Registrar
 - Spring U15/16B registration
 - Fall Registration - New kids come and it is always the same kids that don't register. We opened and closed registration at least 15 times. In the spring we should do something different. Do we need to implement a late fee again?
 - We need registration dates when they are available.
 - Evansville Night Out was after registration closed.
 - It is not just Jessica pushing a button, it is a big headache to make sure there is a team, enough coaches, etc.
 - We all have to be on the same page and then STICK to it.
 - o We also have the problem with not having enough players, and if we turn them down in the fall then the chances they join in the spring is dismissed.
 - In House - Needs to close 2 weeks before the season.
 - Can we get more advertisements around town?
 - o We only do advertisements during the fall. We don't do it during spring.
 - November Meeting - We will discuss spring registration and motions for timelines.
