

## 2023/2024 Venom Coaching Application

The mission of the Venom teams is to provide a high quality program for area select baseball and softball players and their families while offering an opportunity to compete at the highest levels available. For many youth, baseball/softball starts very early in life, and their skills are developed and enriched through involvement, participation and often older siblings. With this in mind, Venom Baseball and Softball seeks to offer these youth the opportunity to play at the highest level of competition with a select group who will achieve the objectives provided by the organization

The Venom Board of Directors committee will select coaches based on experience, recommendations and previous coaching reviews, following interviews of qualified applicants. All candidates must submit an application and agree to be background checked. Applications are due to Danna Gibson at stillyvenommanager@gmail.com no later than Friday July 7<sup>th</sup>, 2023.
