- Tryouts Recap - Need a standardized form for reviewers so things are clear, possibly a feedback form we could give athletes as well. We would like to order reversible practice jerseys instead of tryout shirts. Possibly group teams that only have enough for one team together to shorten try-out hours. Discussed shirts or numbers for 1st/2nd grade evaluations.
- Coaches - Approved coach assignments
- Little Dribblers - December 3rd, 10th, 17th Chris Cox will coordinate. For registration - we will try to sign up by new and returning for ability level splits
- Coaches Meeting - October 22nd coaches meeting run by Thunder. Tyrone will send out Kristi's graphic to coaches.
- Free Throw-A-Thon - Send out to coaches in the middle of November. Adjust language in letter to reflect that free throws can be done over multiple practices.
- Sponsorship Letter - Amber compiled supplies, Megan will pack and send out.
- Pictures - Kristi is working on dates to see if we can have one date near both girl's and boy's 1st/2nd grade seasons
- Host Date - Sunday, February 4th.
- Tournament - January 27th-28th. Set up on January 26th. Looking into shirts for press-on graphics on site. Sticking with concessions on site by board. Amber will apply for permit for concessions. Kristi will line up trainer to be available at the tournament for medical needs.
