Mission Statement

Cypress Youth Baseball promotes the idea of growth in baseball skills at all levels, good sportsmanship, honesty, respect, loyalty, and sense of teamwork through a positive competitive environment, so that our youth may become strong, healthy, well-adjusted members of the community.

WELCOME LETTER

CYB Families,

Welcome to another exciting season here at Cypress Youth Baseball. If this is your first year with the league, we are so thrilled to have you! If you are returning, we are so proud to have you continue with our league! The CYB Board is constantly working to improve the quality of our league for all of its players from Foal thru Pony.

Many of us have grown up in this city, played on these fields, watched countless games and have cheered on our kids over the years. Our league is constantly striving to improve, and we are always open to ideas on how we can be better. We have many new board members this year who have joined with a passion for making the league better, helping our kids develop and working hard to build a better baseball community.

Registration is up this year with nearly 400 players ready to show their skills this Spring Season! Field demand has increased significantly. With 9 teams in our Pinto division, several games will be played under lights in the evening. 8 Bronco teams, 8 Mustang teams and another 10 teams between Shetland and Foal has us at a total of 35 teams for the season!

While the CYB board continues to work very hard to provide a satisfying experience for all of our players, the continued growth of the league has generated a need to receive feedback from our parents and families. We will be doing several on-line surveys throughout the season – please participate so that your voice can be heard. The surveys conducted at the end of last year and during Fall Ball informed us that our parents genuinely appreciate highly communicative managers – the more information distributed the more involved parents felt.

We are excited to get this Spring Season started and see our kids grow as baseball players and respectful young people. We encourage EVERY parent to step up and support your league as a volunteer. Please ask your team manager or a board member how you can support our all-volunteer baseball league. As many of our board members will be aging out this season, over 12 positions will open up on the board of directors. Nominations for the next board will take place in June, so stop by any board meeting to see what it's about. The league would not be possible without families like you and the volunteers who jump in and make baseball a top priority for our community.

We look forward to seeing all of you out at Oak Knoll Park this season and hope to meet as many of you as possible.

CYB Board of Directors

LEAGUE FUNDRAISERS

Cypress Youth Baseball is able to support its baseball programs through the generous support of parents, grandparents, aunts and uncles, businesses and corporations in our community. Whether it is a team sponsorship, candy sales, or other fundraising activities, all contribute to the overall success as a youth sports organization. Without such support, we would not be able to provide the services we do. It is important to note as well that all the funds raised, other than those to pay for professional umpires, goes to league operations. In fact, the league does not have any paid employees, although hundreds of hours are donated each week by parents serving on the Board of Directors, snack bar services, and coaching staff.

TEAM SPONSORS

Team Sponsors of Cypress Youth Baseball are essential to the financial health of the league. Although the cost for a team sponsor is a modest \$250, the benefit to the league is enormous. Funds are used to pay umpires, provide baseballs and equipment, and support field maintenance. Due to this, each team is required to identify an individual or business to sponsor their team for the Spring seasons. Teams can have more than one sponsor over the \$250 requirement, and a portion of the fee of the second and third sponsors is divided between the team and the league. Based on the level of sponsorship, sponsors will be provided one of the following acknowledgements:

- Certificate of Recognition
- Personalized sponsorship plaque
- Custom sponsor banner
- Website recognition

Please contact the Director of Fundraising and Sponsorships for detailed information. The sponsor has the right to use the following statement in advertisements, posters, brochures, newsletters, etc.:

“Proud Sponsor of Cypress Youth Baseball.”

CANDY SALES

The annual candy sale is one of the major fundraising activities of Cypress Youth Baseball and it is through this effort that virtually every aspect of league operations is sponsored. Essentially, each player on the team is provided two boxes of 60 bars of candy to sell for \$1 per bar or \$60 per box. The league makes \$30 per box profit. Parents can choose to “buy-out” rather than sell for \$60 (added to registration cost.). If such a decision is made, the player would not have to sell any candy and his/her candy sale obligation is met. (Partial boxes cannot be returned). More information will be provided through the Team Parent.

SILENT AUCTION GIFT BASKETS

Each team is tasked with providing a basket with a list of contents valued at \$50 or more as part of an opening day requirement per team. Items should be new, although original packaging is not required. Tobacco products are discouraged. The baskets can be theme-based (i.e. Los Angeles Angels, kitchen items, toys, tools, etc.).

During our silent auction, baskets are displayed so that during the day people can bid. Baskets will be set up prior to the commencement of opening day and people will have until a pre-determined time to bid. Final winners will be required to pay and collect their basket before the end of the day. The silent auction closing time will be provided by the Opening day committee and posted at the silent auction booth.

The team raising the most money during the silent auction receives 50% of the final bid on the basket. In the event a team has more than 1 basket to the auction, all baskets from the teams value will be combined.

CORPORATE SPONSORS

Cypress Youth Baseball seeks to partner with corporations in order to help keep the costs for league operations to a minimum. In addition to providing much needed funding, they also offer discounts, equipment, products and other support. Depending on the amount of the sponsorship grant, corporate sponsors receive a plaque, banner, advertisement and other incentives. Interested sponsors are encouraged to contact the Vice President of Marketing and Fundraising at: vpmarketing@cypressyouthbaseball.org or the Director of Fundraising and Sponsorships at accountexecutive@cypressyouthbaseball.org to learn more about corporate sponsorships.

DONATIONS

Cypress Youth Baseball is a not-for-profit organization and offers a tax incentive for individuals and companies donating to the league. Any form of payment is acceptable; there is no minimum or maximum donation that can be made. Please contact our Vice President of Marketing/Fundraising if you are interested at vpmarketing@cypressyouthbaseball.org.

LEAGUE VOLUNTEERS

The league depends on parents and other volunteers to help ensure the league runs smoothly. At a minimum, the league needs volunteer Board Members, Managers, Coaches, Team Parents, and others to help at practices, games and other league and team functions. As a result, The State of California and Cypress Youth Baseball requires every volunteer over the age of 18 that is in contact with the players to obtain Live Scan (per AB 506). A copy of a valid ID and a cleared Live Scan check must be obtained before contact with players. In addition to the Live Scan, Cypress Youth Baseball will still require a separate background check be completed with the

preferred 3rd party company. Visit our homepage (www.cypressyouthbaseball.org) and navigate to our Resources section to find the necessary website for your background check.

For questions, please contact the Director of Recreational Baseball Commissioners at coachingdirector@cypressyouthbaseball.org.

PARENT CODE OF CONDUCT:

The essential elements of character building and ethics in sports are embodied in the concept of sportsmanship and six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship. The highest potential of sports is achieved when competition reflects these “six pillars of characters.” I therefore agree:

1. I will not force my child to participate in sports.
2. I will remember that children participate to have fun and that the game is for youth, not adults.
3. I will inform the coach of any physical disabilities or ailments that may affect the safety of my child or the safety of others.
4. I will learn the rules of the game and the policies of the league.
5. I (and my guests) will be a positive role model for my child and encourage sportsmanship by showing respect and courtesy, and by demonstrating positive support for all players, coaches, officials and spectators at every game, practice, or other sporting events.
6. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, coach, player, or parent such as booing and taunting; refusing to shake hands; or using profane language or gestures.
7. I will not encourage any behaviors or practices that would endanger the health and well-being of the athletes.
8. I will teach my child to play by the rules and to resolve conflicts without resorting to hostility or violence.
9. I will demand that my child treat other players, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
10. I will teach my child that doing one’s best is more important than winning, so that my child will never feel defeated by the outcome of a game or his/her performance.
11. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time.
12. I will emphasize skill development and practices and how they benefit my child over winning. I will also de-emphasize games and competition in the lower age groups.
13. I will respect the officials and their authority during games and will never question, discuss, or confront coaches at the game field, and will take time to speak with coaches at an agreed upon time and place.
14. I will demand a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sports events.

PREVENTION OF HARASSMENT AND/OR BULLYING

Cypress Youth Baseball believes that all athletes have a right to a safe and healthy sports environment. The league and community have an obligation to promote mutual respect, tolerance, and acceptance.

Cypress Youth Baseball will not tolerate behavior that infringes on the safety and/or wellbeing of any individual within the organization. Individuals shall not intimidate, harass, or bully another individual through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

Cypress Youth Baseball expects any individual within the organization to immediately report incidents of harassment including acts of bullying to their designated Manager, Coach, Commissioner, Player Agent and/or Board Member who witness such acts to take immediate steps to intervene when safe to do so. Each complaint of harassment or bullying should be promptly investigated. This policy applies to any individual within the organization on all fields of play or a league-sponsored activity, during games, whether on or off the field.

Parents should discuss this policy with their players in age-appropriate ways and should assure them that they need not endure any form of harassment or bullying. Players who bully are in violation of this policy and are subject to disciplinary action on a case by case basis.

Cypress Youth Baseball has adopted an all-encompassing League Code of Conduct to be followed by every individual within the organization on all fields of play, or when traveling to and from games or league-sponsored activity.

The League Code of Conduct includes, but is not limited to:

- Any individual within the organization who engages in harassment or bullying may be subject to disciplinary action up to and including expulsion from the league.
- Any individual within the organization is expected to immediately report incidents of harassment or bullying to the Cypress Youth Baseball Board of Directors.
- Individuals can rely on board members to promptly investigate each complaint of harassment or bullying in a thorough and confidential manner.
- If the individual or a representative of the individual feels that appropriate resolution of the investigation or complaint has not been reached, to their satisfaction, should contact the local Regional Director. Cypress Youth Baseball prohibits retaliatory behavior against any complainant or any participant in the complaint process.

The procedures for intervening in harassment or bullying behavior include, but are not limited, to the following:

- All active registered users of Cypress Youth Baseball will receive an electronic file of the 2018 League Handbook, which includes an update of this policy prohibiting harassment and bullying. League Handbook will also be available online by going to www.cypressyouthbaseball.org and selecting the "More+" tab.
- Cypress Youth Baseball will make reasonable efforts to keep a report of harassment or bullying and the results of investigations confidential.
- Individuals who witness acts of harassment or bullying shall take immediate steps to intervene when safe to do so. People witnessing or experiencing harassment or bullying are strongly encouraged to report the incident; such reporting will not reflect on the target or witnesses in any way.

TEAM FORMATION PROCESS

MANAGER SELECTION

Team manager is perhaps the most important position in the structure of Cypress Youth Baseball. Team managers will be responsible for leading and teaching our children. The Commissioners for each division will recruit, interview, and provide their recommendations of manager candidates to the CYB Board for approval.

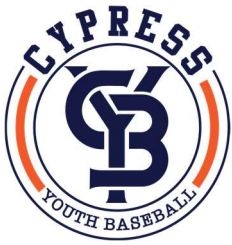

Manager Candidates must:

- Submit an online Manager application thru the CYB managers registration platform.
- Received a PONY Baseball manager certification (via www.usabdevelops.com)
- Complete a Live Scan and CYB background check.
- Attend mandatory Coaching and Safety Clinics
- Attend tryouts for the purpose of evaluating players in their desired league division.
- Help run the tryout for players in other division age groups

Our goal is to provide our players with access to the best leaders, communicators, teachers, and baseball minds from the list of prospective manager candidates. Our commissioners interview candidates, review prior season evaluations, and obtain feedback and observations from league personnel, in an effort to select the most qualified candidates.

The manager has responsibility for managing every aspect of their team's activities, including:

- Coach, Player, Team Parent, Snack bar Representative selection
- Communicating effectively with Parents and Players
- Team sportsmanship
- Player safety and Baseball Instruction
- Scheduling practice and coordinating game participation
- Completion of pre-and post-game field duties, including preparation of the field following rainy weather
- Returning all field and scoreboard equipment to the shed
- Performance of snack bar & field maintenance responsibilities
- Obtaining a team sponsor
- All other matters pertaining to the responsibilities and participation of their team in Cypress Youth Baseball activities

TEAM FORMATION - DRAFT PROCESS (PINTO, MUSTANG, BRONCO & PONY DIVISIONS)

In an effort to create balanced and competitive teams, each of our competitive divisions form teams using a DRAFT process. Managers, Coaches, and Board members conduct the player draft shortly after tryouts are completed.

Note: Due to the overarching goal to creating balanced teams, the draft process cannot accommodate requests to play for a specific manager/coach or to be on the same team as another player. If you have any questions, please contact the Player Agent at: playeragent@cypressyouthbaseball.org

Key Elements of the Player Draft Process includes:

- All players who tryout within a given age group, will be drafted to a team in that age group's division.
- Players that do not participate in tryouts will be assigned to a team at the conclusion of the draft using a random "hat-pick" process.
- The player draft will involve the approved team managers, one approved coach, the division Commissioner, Player Agent, President and select Board members who help administer the process.
- The President will oversee the process and rule on any questions that arise.
- Prior to the start of the draft, the order of the draft will be determined by having the managers draw numbers from a hat.
- The draft will be conducted in a serpentine process whereby the managers will select in the order of the numbers drawn from the hat, smallest to largest. Upon completion of a round of player selection by all of the managers, the order of selection will be reversed and the manager who selected last in the previous round, will make another player selection. This process will continue until all players are selected.
- Frozen Players or Children of the team managers are automatically assigned to the parent's team. The Division managers and commissioner will determine the specified draft round based upon the player's ability relative to all players in the division.
 - Managers will be allowed to freeze a player to their roster for the purpose of obtaining the service of that player's parents as an Assistant Coach. Managers and the Assistant Coach must sign a written agreement stating that they will serve in the capacity as coach or team parent for that team for the entire season. These players will be assigned to their team using the same process described above.
 - Once player freezes are completed, the drafting of the remainder of players in that division, will begin.
- The draft will occur within two weeks of the completion of the player's tryout and he/she will be informed of the date, time and location of the first meeting/practice shortly thereafter.

- In some cases, due mainly to player safety, parents may request that a player be allowed to play at a level below his/her age-appropriate level. Such requests should be made to the Player Agent or Division Commission.
 - Players who are approved for special consideration will tryout with the age group of the player with whom they will be playing. This is done so that the managers, who will be selecting those players through the draft process, will have the opportunity to evaluate those players in the context of the ability of the players in that division.

TEAM FORMATION – FOAL & SHETLAND DIVISIONS

Teams in the Shetland and Foal divisions are formed by the division commissioner and player agent from the pool of players who register prior to the completion of player registration.

- The commissioner and player agent will balance the teams so that each team has approximately the same level of talent.
- Parent requests to play with a friend or a specific coach will be considered but may not always be able to be fulfilled in order to maintain a balance in skill and talent among each of the teams.
- Once formed, players will be contacted by their team manager and informed of the time, date and location of their first team meeting/practice.

DO NOT DRAFT POLICY

Cypress Youth Baseball recognizes the importance of strong manager/parent/player relations in order to encourage the best learning and development environment for our boys and girls.

In recognition of this philosophy the Cypress Youth Baseball board allows a parent/player to place a “do not draft” restriction on one manager assigned a team in the division their child will participate in. **This option is only available if the player has previously played for that individual, in a manager or coach relationship.**

Process:

Once the CYB board approves managers for the upcoming season, they will be listed by division on the CYB Homepage: www.cypressyouthbaseball.org

Parents may place a do not draft designation on one manager by emailing the following to the Player Agent at playeragent@cypressyouthbaseball.org

- Player’s Name and Division
- Manager’s Name
- Year and Division player was on designated manager’s team
- Reason for request
- Parent name and contact information

Requests submitted without all of the above information- or- submitted after 5:00pm on the day of the division draft cannot be honored!

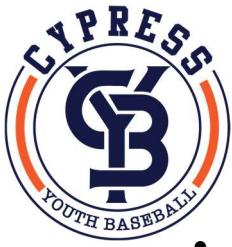

POOL PLAYER POLICY

In instances where a team has 9 or fewer players available to play a game, the manager may “call-up” one or more pool players from the Division below in order to have players available for the scheduled game.

Pool Player Approval Process

Pool players must be approved by the Lower Division Commissioner in order play in a higher division game. To ensure safety and maintain competitive balance, pool players must be able to demonstrate sufficient ability to be competitive at the higher division.

- Players/parents may nominate themselves as “eligible” for pool play by completing the *Pool Player Request* Form, available from the league website, and submitting to the Team Manager.
- If the Team Manager supports the request, under the premise that the player can demonstrate adequate baseball skills to participate in the higher division, he/she will approve the request and forward to the Division Commissioner.

- The Division Commissioner will review all requests and make the final determination regarding approval, based upon a player's ability to demonstrate adequate baseball skills to participate in the higher division.
- Approved players will be placed on the higher division Pool Player list.
- Unapproved players and their parents will be notified by their Division Commissioner.
- Pool player approval will occur twice during the season:
 - Initial approval must be completed no later than the Friday prior to Opening Day.
 - Secondary approval will take place no later than the Friday before the beginning of the 2nd half of the season.

Pool Player Guidelines

- Pool players will wear their own team's jersey to distinguish themselves from the team's regular team roster.
- Pool players may only play outfield positions and bat at the end of the line-up, after all regular members of the team.
- Pool players must play the minimum number of defensive innings required.
- Pool players must be designated as such on the official line-up card given to the scorekeeper and opposing manager.
- **Pool players may not accept an invitation to play if it will result in a conflict with a scheduled game for that player's regular team.**
- Pool players invited to play and show up must be allowed to participate in the game even if the team subsequently has 10 or more players arrive for the game.

Requesting a Pool Player

- The Team Manager must notify his/her commissioner in advance when the need for a pool player is necessary.
- The Commissioner will contact and secure an eligible player.
- Once the player has accepted the invitation, the Commissioner will notify the Team manager.

- The team manager should contact the Pool player to provide specifics regarding arrival time for their game.
- All players should be given equal opportunity to participate as a pool player.

ALL-STARS

The All-Star process will begin in late April/early-May for our Shetland, Pinto, Mustang, Bronco and Pony Divisions. Cypress Youth Baseball fields two teams in each division to participate in the age-based PONY All-Star tournaments.

Throughout our regular season, managers will be developing our players in a positive competitive environment, fulfilling our goal of cultivating young athletes. Managers will also be observing players in their division to determine each player's likelihood for All-Star candidacy.

The managers will meet in mid-May to complete the All-Star team selection process. This timeframe allows our veterans a chance to show their stuff, and the rookies an opportunity to show their passion and love for the game.

All-Star Player Selection Process

All-Star players will be nominated by the team manager with no more than 5 nominations per team, per division.

Voting Process – Managers

Each manager will receive a list (ballot) with every player that received a nomination. Each manager will select 15 players for inclusion on the All-Star Team. Each manager's ballot will be read aloud by the commissioner during the tally process, to allow managers and board members present to hear the all-star player votes. Voting can be conducted electronically via google form or similar program, or by paper ballot.

Manager Vote Score: % of ballots name appears on x 90%

Team Selection

Based upon the combined voting numbers, the top 10 players will automatically be placed on the All-Star Team. Once the Top 10 players are identified, the Team manager will be announced.

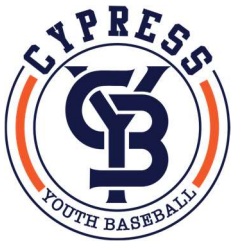

The manager will then select 2-5 additional players to complete their team roster. The manager may select any player that has received at least 2 manager votes.

Player Declines Selection

Should a player decline to participate on the All-Star team, a replacement will be selected as follows:

- If a "Top 10" player, the manager must select the next highest vote getter that is not on the team.
- If a "managers pick", the manager may select any player that has received at least 2 manager votes.

** These procedures can be amended by vote of the CYB Board. Any adjustments will be posted in a revised version of the Parent Handbook.
