

CEVA POWER LEAGUE UPDATES – 12/1/2023

CEVA TO HOST CLUB FORUMS

- CEVA will begin hosting monthly club forums for any club administrators who want to attend. They will be held the first Thursday of each month starting at 12:00 PM, and will last 30-45 minutes.
- This is your chance to hear from our staff on specific topics that we get feedback on. Next Thursday, we'll cover common questions in SportsEngine, such as club assignments, rostering, and other issues.
- **First forum: Thursday, December 7 – 12:00 PM – via Zoom: <https://us02web.zoom.us/j/82382739089>**
- No RSVP required. Forums will be recorded and distributed to the region.
- Submit questions ahead of time to cody@cevaregion.org if you wish.
- We'll leave a few minutes at the end for any topics of conversation you wish to bring to the table!

POWER LEAGUE SEEDING

- The Junior Girls' Committee will meet next week to determine seed groupings for 12s and Open Power League Qualifier. When done, they'll be [on our website](#) (likely by 12/8).
- After Open PLQ on 12/17, the 14s, 16s, and 18s Power League seeds will be finalized and posted.
- Remember – after Open PLQ, teams who do not make the top 32 in that division return to their regular age groups. So those ages' seed groupings won't be finalized until Open PLQ is completed.

DO YOU KNOW HOW PL QUALIFIERS WORK?

- Make sure you understand how Power League Qualifiers work! Read about them in the [Junior Girls' Handbook](#). Have questions? Contact cody@cevaregion.org.

POWER LEAGUE AES REGISTRATION

- All teams in Power League will be registered for the event in AES by the CEVA office. AES is used to schedule and format Power League.
- **No action is required by clubs for this.** This note is for your awareness only. You may receive automated e-mails from AES when these registrations happen. Again – no action required.
