SafeSport Training Login & Course Enrollment Guide

Updated 07/28/2025

If you have any questions, please contact safesport@mitchellmarlins.com.

1. Go to: <https://www.usahockey.com/safesporttraining>
2. Click the **CLICK HERE FOR U.S. CENTER FOR SAFESPORT TRAINING** button:

(<https://safesportlaunchpad.usahockey.com/>)

3. Enter your Username & Password and continue on to step 4, but if you have not logged into this site before with a username (or if you previously logged in with your USA Hockey number), you will need to set a new username and password.
 - a. Click the **Forgot Username?** link below the **Sign In** button and follow the steps a-d below.

A screenshot of the USA Hockey sign-in page. It features the USA Hockey logo at the top, followed by the text "Sign in" and "Sign in with your username". There are two input fields: "Username" and "Password". Below the password field is a link for "Forgot your password?". At the bottom, there is a blue "Sign in" button and a link for "Forgot Username?".

- b. In the new window that appears, enter your last name where specified, and your USA Hockey number in the **Confirmation Number** field and click **Submit**:

A screenshot of the USA Hockey "Forgot User Name" page. It features the USA Hockey logo at the top, followed by the text "Forgot User Name". There are three input fields: "Please enter Last Name*" (with "Last Name" as a placeholder), "Please enter either Confirmation Number or Officials Number" (with "Confirmation Number" as a placeholder), and "Officials Number". At the bottom, there is a grey "Submit" button.

- c. You will receive an email from receipt@membership.usahockey.com with your USA Hockey SSO (single sign-on) username.
- d. Now you will need to set a password for the SSO. Go back to the USA Hockey Sign In tab/window and click the **Forgot your password?** link
- e. Leave the Username field blank and enter primary email address (the one listed above), click the **Send verification code** button:

- f. Check your email to receive verification code from **Microsoft on behalf of Member Services**
- g. Enter the verification code in the new field that appeared, making sure there are no spaces before or after the code, then click the **Verify Code** button

- h. Once verified, a message will appear that you can continue.
- i. Enter your SSO username and click the **Continue** button.
- j. Now you can create your new SSO password and click **Continue**:
- k. When you see the **USA Hockey Sign In** screen again, your SSO credentials have been set. Continue to log in with your new username and password.

4. Once logged in, the website will show whether you have SafeSport training available or if you are not eligible for training yet:

5. To complete the SafeSport Training, click the **GO TO SAFESPORT TRAINING** button (the next page will be launched in a new tab/window).

6. Upon completing your SafeSport training, you will then be returned to the SafeSport Training screen in step 4. The screen may say you have training available, but the Go to SafeSport Training button is grayed out (the website may take some time to fully update):

SafeSport Training

Your SafeSport Training is **Available!**

Welcome, as a member of USA Hockey, all registered coaches, officials, players, employees and volunteers are entitled to take the training at no cost. The Safe Sport Training and Refresher Training are each valid for twelve (12) months.

If the button below to access training is not activated, this means, the member is either too young to take training or the member already has a valid training on file with USA Hockey and it is too early to renew.

At the completion of the training, you will click submit. This sends the completion status to USA Hockey, there is no certificate. An email from USA Hockey will be sent to you once we receive notification of your completed training. If you have any additional questions, please contact memberservices@usahockey.org

To start your training click here:
