**Mission Statement:**

Share and promote the lifelong gift of hockey. Model respect, fairness, and sportsmanship while developing youth skaters of different skill levels. Provide our skaters and family members alike with good I.C.E. (Inclusivity, Communication, Equity).

**Inclusivity.** PHYA offers programs for everyone within a variety of both cost and commitment levels.

**Communication.** Communication and transparency are important to us; we are committed to assessing regularly and working to constantly improve.

**Equity.** PHYA offers development options for a variety of skill levels, ambitions, and aspirations.

## ALEXANDRIA MILLER

This was Alex's first year (ever!) playing hockey and it was a memorable one! Alex decided to give hockey a try because she has always loved to skate. The Madison Dragons 14U B team welcomed her with open arms, and a very supportive group of coaches showed her the ropes. She loved every minute! Capping off the season with a 3rd place finish at the WAHA State Tournament was just icing on the cake. She is looking forward to playing next season with the Icebergs and continuing to grow in this sport.

# PATRIOTS

Youth Hockey Association

## ZOEY PALMER

Zoey took her first Learn to Skate class at the age of five. She quickly traded in her figure skates for hockey and at the age of eight she started her first season on the Patriots Rec team. By her second year, she started goaltending and within a few years had made that her full-time position. Zoey has played on a number of girls' teams around Dane county including DC Diamonds (U10), Patriots Girls (U10), Madison Mavericks (U14), and Madison Dragons (U14). She has also participated in WEHL and Kohlman Cup. She currently attends Monona Grove High School and will be playing for the Icebergs next year. Her parents are here to chauffeur and cheer her on. We are immensely proud of her.

# PATRIOTS

Youth Hockey Association

## SULLIVAN GROTH

Sully started his hockey career at the age of 7, a little later than most. He had 2 months of learn to skate, and then the next season, he joined as a second year mite. What he lacked in skill initially, he made up in determination, attitude, and effort. It never bothered him if he wasn't the best on the ice because he was willing to put in the work every day to improve his skills. He was up for anything in hockey. He even played part-time goalie his first squirt year and filled in as goalie one game as a peewee to let the full-time goalie skate out!

As the years went on, Sully tried many other sports. None of them held his interest like hockey! Through regular seasons with the Patriots, spring seasons with Hockey Factory and 608 Selects, and a fall season with the WEHL SC Baumer team, he was lucky enough to have the full scope of team experiences. Sometimes he was the bubble kid, many times he was the coach's kid, sometimes he was a leader, and sometimes he was just trying to keep up. Whatever the experience, he was up for it.

Some of his highlights during his Patriot career: Earning first place AND a zero patch at a tournament in Wausau in his first year as a Squirt, his first play down game win against Waunakee as a first year Peewee, scoring the winning goal at a tournament in Rhinelander as a first year Bantam, and making it to his first state tournament as a second year Bantam. What an honor to watch it all from a front row seat, can't wait to see what happens next!

# PATRIOTS

Youth Hockey Association

## MAYSON BAUMGARTNER

Mayson you have always been a joy to watch and coach during your youth hockey career. Always choosing to be a good teammate and playing with heart and soul. It is hard to see your youth hockey career end, but we are excited to see what the coming years will bring. Keep checking on your goalies and being positive in the locker room. Always have fun and keep your work ethic. When Mayson was asked his favorite Patriot memory he says "Making it to his first state tournament as a Bantam". What advice do you have for future Patriots? "Be a positive teammate, don't let your team get down on themselves, always have fun and play every shift like it's your last". Mayson, thanks for all the memories over the years and being who you are. We are so proud of you!

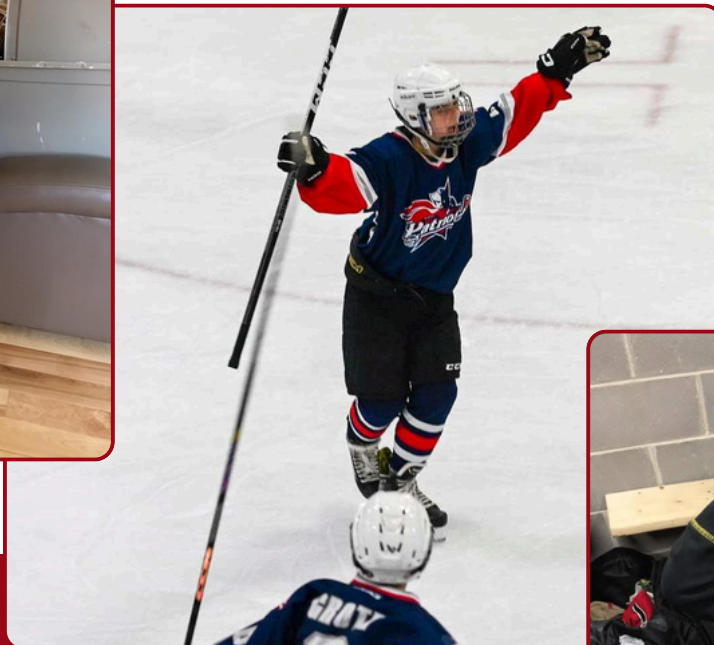

# PATRIOTS

Youth Hockey Association

## NOLAN BREE

Nolan started skating at 4 years old. After a brief hiatus he made his return to hockey. He has enjoyed growing his game with the many friends he has made along the way. Nolan always looked forward to tournaments, primarily for knee hockey and the pool at the hotels.

# PATRIOTS

Youth Hockey Association

## RANDY CHRISTOPHERSON

Randy, From your first days skating on the lagoon and wanting to play hockey like the big kids through to today - it has been over 9 years of watching you learn and play hockey. We've had so many fun adventures and side trips along the way - during tournaments and during the COVID year of hockey (Twig's, Gamblers Game :), multiple state parks, skating at Titledown, skating on the outdoor ribbon in Boulder Junction, visiting the Hodag, and railfanning!). As well as your love of zambonis, skating with the Badgers, and all the fun times we've had at Olbrich and the lagoon with friends and teammates and anyone else there wanting to play a pickup game of hockey over the years. Thanks for all the fun memories. We're proud of you. We can't wait to see what you choose to do with your next chapters! Love, Mom & Dad

# PATRIOTS

Youth Hockey Association

## DAWSON HENDRICKS

With two older siblings that played hockey, it was a given that Dawson would try it too. He was our typical kid who clung to us on the ice, but after one session of Level 1, he was transformed into a hockey-loving fiend. He loved how cool goalies looked and when he got the chance to play, the deal was sealed. Suddenly he was constantly playing "goalie block" with his older brother. His 2nd year of Mites he was lucky enough to play goalie 50% and double roster as a squirt.

Dawson's travel hockey years saw a lot of success, but there will never be a year as memorable as his last Peewee year. His team won every single tournament, including a tense championship game that went into overtime and then a 9 person shoot-out, until his final save that gave them the win. The season culminated in a berth at the state championship, and an amazing win in front of many supportive fellow Patriots. The best part was the team tossing their gloves to celebrate with 4 seconds still left on the clock, and the ensuing joyful chaos as the families and fellow Patriots rushed the ice.

Our favorite thing is Dawson's post game snow fling with his team mates. We hope that he always finds joy in the game, no matter if it ends in a win or a loss. We find it fitting that he was born on March 3rd, the same day that the first ever indoor hockey game was played in 1875. His jersey number, 33, was an obvious choice. We're looking forward to what the next 4 years will bring for "D - Money"!

# PATRIOTS

Youth Hockey Association

## TYSON KINSEY

I started as a Patriot in the Mite program and finished as a second year Bantam. I've won on the ice, lost on the ice, celebrated on the ice and cried on the ice, yet it is the only place I want to be.

My favorite memory is winning the Wausau tournament, when I was a Squirt. Some advice to future players is to not rush your time with the Patriots because you will miss it when it's gone.

# PATRIOTS

Youth Hockey Association

## BENJAMIN TAYLOR FELDMAN

Like many Patriots, Ben's hockey journey started with Try Hockey for Free, when he was 7 years old. The minute he put on the gladiator gear, he was in—and it never mattered how many times he fell down, he got back up with a smile. He really caught the hockey bug during his first year of Bantams, and worked incredibly hard to put himself into a position to make the Bantam A team for his second year. Ben will take away from his time with Patriots many friends and lifelong lessons about hard work, teamwork, and perseverance. He is excited to move on to high school hockey!

# PATRIOTS

Youth Hockey Association

## BRADY NORMINGTON

How 9 years flies by when your having fun! Seeing you put on your first pair of skates and learning how stand up and fall down and do it all over again to your final days as a bantam competing in the state tournament. It's been fun watching the friendships you've made and the many miles of travel spending with you in the car. Our tradition of making pancakes in the shape of the letter to surprise you of what team you made after placements, to the Friday night fish fries at away tournaments in whichever town we rolled into. Oh, we can't forget the tradition you made in cross ice (U6) of flipping the puck against the glass to get your mom's attention, until the day you flipped it over the glass and hit her with the puck in the forehead (oops).

You were never afraid to put the in hard work on the ice or off the ice. Your time off the ice shooting pucks and stickhandling; to watching NHL on the Fly in the mornings learning more about the game, shows how much you love this game. Your coaches through the years have all challenged you and taught you new skills to make you a better player which lead you into teaching your teammates new skills.

There are many memories over the years watching you, from knee hockey battles in hotels, winning in double OT in playdowns, getting a penalty shot opportunity, to the many hours on the ODR, we are so thankful to have been on this hockey journey with you. We wish you the best and look forward to the next journey your take us on.

**Coaches:** Tara Groth; Heather Irwin; Micah Rinzel; Laurel White **Manager:** Erin Grimm

This year's 10U Dragon team had a wide range of experience but EVERY player put in the work and developed their skills and hockey IQ to be a better player than when they started the season. At least half of the team can now tie their own skates! Even if it meant coach bribed them with candy. We won 3rd place at both the Fondulac Trophy Hunter's tournament (6 teams) and the Green Bay Maryann Robinson Tournament (8 teams). Despite being a silver team, we out played and beat Gold teams like Winter Club, Green Bay, Fox River Freeze and Sauk Monkeys. Off the ice, we bonded at La Bahn arena (celebration tunnel and a skate with the Badgers), at Suter's Legacy 20 arena (Madison Capitol's intermission skate) and even had a secret Valentine exchange at our last tournament! Aside from our successes, players had the support and opportunity to make mistakes and learn from them. Although we lost in playdowns in a heartbreaking OT, we learned a lot about ourselves and grew our love of hockey.

**Coaches:** Scott DuBenske, Tom Conti, Geoff Wild, Briana Cronk, Nikki Veldkamp **Manager:** Maureen Treichel

The U12 Dragons completed their regular season on a high note after an exciting winter of ups and downs to include 3 tournaments, a variety of challenging games, and a ton of fun along the way. Each player worked hard over the course of the year as their skills, knowledge, and an overall love of the game grew with each new week. The season saw new challenges being met and overcome, friendships forged, and a U12 Dragons team that supported and encouraged one another as only hockey players can! It is truly remarkable what players can accomplish with a positive attitude and their best effort; the coaches and staff feel honored to have had the opportunity to work with this outstanding group of players! On behalf of all Dragons players, coaches and staff – Thank You to all the parents, family members, friends and fans who helped to make the U12 Dragons 24/25 season a success!

## DRAGONS U14 A

Sydnee Marks; Stella Gray; Bryn Hommowun; Bennett Krogstad#; Rachel Olm+; Phoebe Norgord; Molly Bible; Camy Volenec; Maya Volenec\*;  
Lauren Barrett; Miley Gross; Macklyn Davis; Emme Fenster; Ella Henderson+; Cece Norgord; Skylar Rolfs

**Coaches:** Karl Olm, Myles Bible, Peter Fenster, Paula Gray, Chris Henderson, Brandon Hommowun, Stephanie Marks, Andy Norgord, Matt Volenec, and Roza Gilles

The inaugural season for the Dragons 14U A team was a success. At the beginning of the year we set a goal of bringing together female athletes from four associations to finish the year competing at state while developing as players and people along the journey. We enjoyed early season success with third place at the Trophy Hunter tournament in Fond du Lac and followed up as a semi-finalist at the Windy City Girls elite tournament beating teams from four different states before losing to the Florida Alliance. We played well at the Stillwater Skate for the Roses against Minnesota's best 15A teams as well. During the season we had guest coaches including Charlotte Akervik from the Minnesota Frost and Claudia Kepler helping us with our shooting and Roza Gilles for strength and conditioning. Other guest coaches included Rich Smith, Ed Yamashita, Scott McConnell, Larry Clemens, Suzette Faucher, Amy Claggett and Shane Connely. This led to two hat tricks by Rachel Olm and one by Ella Henderson, a playmaker by Maya Volenec, and 8 shutouts by Bennett Krogstad. Our ladies came early to practice improving at stickhandling and shooting as well as demonstrating their leadership through a rotating leader of the week. In the end, we fell short of our goals at state with a fourth-place finish, but we all realize that when we only allow four goals in three games at state the bottom line is we need to score more goals to win the tournament. Everyone is motivated to work hard in the off-season and come back better and stronger for next season. For many that will be with the Dragons, while others will feed into their high school programs with the Capital City Cougars and Icebergs. Thank you to all the parents and coaches who supported this amazing thunder of Dragons!

This season has been an unforgettable journey for our Dragons 14U B Team! From the very first practice, multiple organizations of girls united and showed incredible growth in skill, teamwork, and determination. Our defense was solid all season, we were able to generate timely scoring, and our goalies were consistently reliable! Throughout the season we scheduled and faced challenging competition. The girls demonstrated resiliency and improved in both individual skill and team hockey sense. Peaking at just the right time, it is an honor and privilege for this team to be the **FIRST EVER DRAGONS HOCKEY TEAM TO BRING HOME STATE HARDWARE!** Earning 3rd at State demonstrates their well deserved recognition for their outstanding dedication to growing the sport of girls hockey. The energy, friendships, and enthusiasm was contagious, and everyone contributed to our success. Thank you to the players, parents, and coaches for making this season truly special!

U6 teams built upon the teachings of the learn to skate level to start the season. Throughout the year, we worked a great deal on skating development, game play, sportsmanship, and most of all, fun. Every skater brought a great attitude to every practice and every game. Toward the end of the season, we worked on becoming great teammates through cheering each other on and working together as a team during games. Passing and helping out your teammates were focal points and each team had a lot of success playing against other area teams. These skaters are on their way to becoming great teammates for the Patriots organization!

**Coaches:** Brock Femrite; DJ Daggett; Greg Roe; Mike Taylor  
**Manager:** Cassie Russell

The Patriots Squirt A team had an incredible season marked by hard work, dedication, and impressive achievements on the ice. From the first puck drop to the final buzzer, this team showed relentless determination, teamwork, and a passion for the game that led to a highly successful year.

The biggest highlights of the season were two major tournament victories, where the team battled through tough competition to come out on top. These wins were a testament to the players' commitment to improving their skills and playing as a united team. Every player stepped up when it mattered most, showing grit, resilience, and an ever-growing hockey IQ.

Beyond the trophies and wins, the biggest success was the development seen in every player. Throughout the season, the team made huge strides in skating, passing, shooting, and overall hockey sense. More importantly, they grew as teammates—supporting each other, learning from challenges, and building a strong bond both on and off the ice.

The coaching staff couldn't be prouder of the effort and heart displayed by this group. Whether it was a hard-fought game, a tough practice, or a thrilling overtime victory, the Patriots Squirt A team showed what it means to play with pride, perseverance, and passion.

With such a strong foundation built this season, the future looks bright for these young athletes. The Patriots Squirt A team didn't just have a successful season—they had a season to remember!

## SQUIRT C

August Pharr; Lars Hohlstein; Leon Hendrickson; Charles Steiner; Kaden Lorenzen+; Colton Lynch; Jace Vetter\*; Graham Vincent+; Braden Thomas#+; Emily Forward; Hendrik Van Berkel; Patrick Jakubczak; Charles Lucas; Edwin Robbins#; Kianna Irwin; Emily Neumann

**Coaches:** Grant Thomas; Alex Hohlstein; Trevor Robbins; Daniel Steiner  
**Manager:** Jennifer Forward

The team was 17-13-1. Four players had double digit goal totals, and every player on the team scored a goal. The team of predominantly first year squirts, adapted very quickly to offside and playing on a full sheet of ice. With continual positive interactions amongst the team and coaching staff, players pushed themselves to become better, demonstrating their growth mindset. Each player on the team made incredible individual strides in physical capacities and in their hockey IQ. These strides allowed for the whole team to become a better unit, playing team hockey. Acquiring skill is a nonlinear progression, the support of their team allowed athletes to progress their own pace without judgment. The culture of the team in the locker room, on the ice, and outside of the arena was one of the best I've been around in my years of coaching. I would like to thank, each and every player for contributing to the positive team culture and buying into the growth mindset.

**Coaches:** Robert Godfrey; Eric Erickson; Chris Henderson; Grady  
Lippitt; **Manager:** Tina Rettler-Pagel

**Peewee 1A State Champions!** Arguably the hardest state championship to win in youth hockey. This team earned it, never letting up off the gas, they maintained the #1 position in the state all season long and never got bumped down. It's hard to maintain being on top, and this was new adversity for this team to face. These players were much more used to being the underdog and now they had everyone chasing them. As a team we did not focus on any one accomplishment rather we focused on "Being the Best at Getting Better". We got better at skills/tactics, but the real magic was how much better we got at compete and hockey IQ. To get better at these, we had to play harder teams. We traveled further this year than usual, playing in Michigan, Illinois, and Minnesota, but the hardest team we played was ourselves at practice, week after week. There were many practices where they played so hard against each other, that when we got to the weekend, the games looked easy. A special shoutout to Defensive core: Nyla, Christian, Colton, Reed, and Will...You cannot win championships without Solid Defense!

**Coaches:** Christian Forsmo; Myles Bible; Emily Farwell; Matt Martin; Phillip Pedracine; Dan Steiner; Lauren Zellmer

The PWB team had a great year! This season was definitely different than others for the PWB families as we hosted the WAHA State Championships. All hands-on deck to make the tournament a success and the families knocked it out of the park. Our tournament Directors, Matt & Mindy Boyd worked tirelessly to put on a great show. The players were excited, but most of all wanted to make sure we were not just "in the tournament" but "competed" with the best PWB teams in the state. I thank you all from the bottom of my heart for everything you did to make this a memorable season for our children.

All season we made memories leading up to the State Championship. This meant pushing each other, trying new things, and being pushed outside comfort zones. They rose to the challenges that the coaches provided which made it fun and exciting to implement new things. With a season ending 25-20-1 record, we finished with a state tournament record of 2-1 and bringing home the Consolation Championship trophy. Although not the the desired end result, they won and lost with grace, and most definitely "competed with the best PWB teams in the state." Most importantly they all grew as humans, and I will cherish the memories created with this team.

I wish you all many years of hockey in your future and look forward to seeing what next season brings for each of you!

## BANTAM A

Sullivan Groth; William Conti; Andre Williams Jr; Sol Bernstein; Brady Normington; Theran Gilbertson; Nathan Hablewitz; Owen Planert; Jacob Varnell; Mayson Baumgartner; Benjamin Taylor-Feldman; Evan Forsmo; Khampraseut Maly; Nikolas Schroeder; Rohan Kerkela

**Coaches:** Matt Baumgartner, Christian Forsmo, Stu Normington, Tom Conti, Steve Kerkela **Manager:** Jackie Scola-Bernstein, Sarah Baumgartner

Bantam A had a hard working season with tons of growth. This was the first season that this group has ever played together. The boys made tremendous growth, worked hard every day and never gave up. They faced a season full of high level A teams and learned a ton. Bantam A took 3rd place in Waupaca this season and also earned a trip to the State tournament. This was a huge accomplishment for this team. This was some of the skaters first trip to State, ever! We played the most talented teams in the state of Wisconsin. The Patriots were the under-dogs heading into every game. Making it to the consolation championship game was an honor. I want every player on Bantam A to know that the coaches, parents, and grandparents are extremely proud of your accomplishments this season. Special thanks to all the graduating bantams, we cannot wait to see where you go from here. 2024-2025 was a success.

The Bantam B team had a great season on and off the ice. We battled our own adversity, injuries and penalties but we had a great time doing it.

This group of skaters clicked with each other and supported each other even in the tough moments. Our first team meeting we defined what was "fun" about playing hockey. It turns out our players' idea of fun was being a complete hockey player (good passing, hard shots, being a good teammate, being competitive, big hits, skating fast, tournaments, good communication, goals & assists and wins). With this list defined, we made it a priority for the season to have fun and we accomplished that! We were always competitive, and we never stopped skating even when the score dictated that we didn't have a chance.

Our season highlights include: winning the donut contest at the Kenosha tournament, RingPop players of the game, giving 2-seed Waunakee a run for their money in playdowns, beating Sun Prairie B, Dawson getting contacts, Goody winning the bench despite breaking bones twice, Colt's empty net goal, an accidental tip in to the wrong goal, Randy's socks, Connor always hitting the cones, Coach Kevin's cold toes, Teddy squeezing in a goal at the end of the season, Tyson's pre-game activities, Kevin's perpetual slips, and the Rhinelander tournament that resulted in more knee hockey injuries than the actual games!

The Patriots Recreational Team welcomed 10 families to the sport of ice hockey this year, with players having never played ice hockey previously. We had 9 returning recreational players. We also had few players that joined us from the Polar Caps Rec Team. All the players were enthusiastic and supported each other well throughout the season. The older players did a great job of leading by example while supporting and encouraging the less experienced players.

This year our team exceeded our recruitment goals - with a team that was large enough to play intra-squad games. This allowed the players to get more ice time playing with and against players at their level. Despite the wide range of experience and skill we were able to play competitively in most of the games where we faced off against travel teams. This year, the Recreational Team played 10 travel team games and 6 intra-squad scrimmage games.
