

Becker Youth Baseball Association

SPONSORSHIP BENEFITS

The Becker Youth Baseball Association provides the opportunity to any child in the Becker Community to play baseball. We have over 350 kids participating in our program making it one of the largest youth programs in the area. The success and strength of our program rely on your support!

***Tax Deductible**

-The BYBA is a 501c3 – nonprofit organization so every dollar donated is 100% tax deductible

***Easy and Affordable**

-A simple check is all that is needed, all of the promoting and advertising is done by BYBA

***Increases Sales of your Business**

-In the cases of gift cards, you will get patrons in the door and that often spurs up additional business well beyond the gift card's value

***Exposure for your Business**

-Putting your business's name in the minds of our players, coaches, families, and fans will spark inquiries and sales

***Giving Back to the Community**

-What better way to give back to the community you serve by donating to the youth baseball program?

***Meaningful Donation**

-Every dollar of your business's donation will go towards positive change for our program – playing equipment, safety netting, uniforms, field equipment, etc...

***Investing in our Youth**

-Research has proven that getting kids involved in activities, such as baseball, is instrumental in the child's future success as a student, athlete, professional, and citizen.

THANK YOU!!!
