

Hotlanta Softball League Policy on Team Sponsorship

Hotlanta Softball League (HSL) believes that teams should be free to pursue sponsorship from corporations and individuals without governance or involvement from the league. To that extent, we strongly encourage teams and sponsors, either corporate or individual, to utilize the following form to codify the relationship and ensure that all parties understand the expectations.

Teams, where the sponsors wishes or needs to receive 501 (c)3 tax deductible credit through HSL (please see Policy on Grant Requests), are encouraged to have a sponsorship agreement in place.

HSL shall not be held liable or responsible for any disagreements between the parties.
