Team Formation | coach selection – Diggin's wants to help identify coaches

10 coaches have signed up as of now

121 kids signed up for tackle

11 kids signed up for flag football

Coaches will depend on number of teams and how many kids we have signed up
Grades 6-8; can we work with the middle school to see if students can use the activity bus for practice?; ask about locker space to use and hold pads during the school day?
