Wolverine Football

Fall is a wonderful time in the Bellevue community. Each year thousands of people come together as part of the Wolverine Football Family to enjoy the performance of our Football, Cheer, Band and Drill teams. For the High School kids this season is the culmination of many years of hard work, dedication to team, and character and skill development that begin in the Youth program. For the kids in our Youth program it is the beginning of an extraordinary personal development opportunity. This special program is made possible by the leadership of our many fine coaches and the sacrifices of the volunteers and parents. Because of your efforts Wolverine Football is a genuine community treasure.

In 2008 we formed a single community wide booster club to support the football program from Youth through High School. The Booster club strives to provide quality support and service to help make the football experience enjoyable and accessible. This includes financial support for new equipment, camps, strength and conditioning, coaches training, food and travel. The Booster club and coaches are committed to ensuring EVERY child who wishes to participate is able to do so regardless of means. We appreciate the generosity of the community and invite those of you who have not participated to join the club and get involved.

"All Hail the Blue And Gold"
Trygve Carl Skoglund
Spirit Bell

In the memory and spirit of Trygg Skoglund, Class of 2000, a newly replaced bronze bell proudly rings at Bellevue High School football games. Senior players will continue the tradition of ringing the spirit bell as they embark upon the field on game night. The dedication and original bell was built in 2001, from loving donations of our school families, friends, and Booster Club. Unfortunately, the old historical cast iron bell had a crack in it. So that our tradition wouldn't be lost, the Skoglund family replaced the bell. A school landmark, this bell symbolizes the spirit of Trygg and his love of Bellevue Football.
