

# PROTECTIVE FACE SHIELDS NOW AVAILABLE FOR ICE ARENA PERSONNEL

Sparx Hockey, a leading manufacturer of ice hockey equipment and supplies, recently re-purposed its Massachusetts-based manufacturing facility to make protective face shields to help protect at-risk individuals from COVID-19.

Access to proper personal protection will be important as ice arenas across the country start to make plans for re-opening. Sparx Hockey is pleased to now offer these protective shields to people working in the ice arena industry.

## FACE SHIELD SPECIFICATIONS

- 10" Long Polycarbonate Shield
- Adjustable 1/2" Elastic Strap
- 1 1/4" Comfort Foam Headrest

**\$5.90 per shield**

*Sold in boxes of 10*
