REGISTRATION

RELAY INFORMATION

The majority of information in the Athlete Guide applies to relay teams, with regards to timings and requirements to register and rack. Where there are variations due to team logistics, we have provided the information below.

REGISTRATION

Registration for all athletes will take place on Friday and Saturday. It is **not compulsory** for all relay members to attend site together to collect the race pack (it is also allowed that only one person of the team gets all the race packs).

You will need to bring your ID. All members will need to have signed the relay waiver on Active prior to registration.

Teams will confirm the details of their athletes at registration. If there are any changes to be made this will be done at the Help Desk. Please note, you will not be able to change team members at registration, you will only be able to change their details. **PLEASE MAKE CHANGES AT THE HELP DESK BEFORE COLLECTING YOUR RACE PACK.**

TRANSITION

TRANSITION

Like individual athletes, relay teams must also rack their bike the day before and go through the same checks. We do advise that all team members attend Transition so you can familiarise yourselves with the meeting point and the route. Information regarding openings times and location of Transition are below:

TIMING CHIP

The athlete checking the bike in will be the one who receives the timing chip as they exit bike check-out. This athlete is responsible for ensuring that the relay member doing the swim, receives this before the race starts. If the swimmer is not wearing the timing chip, the swimmer will not be able to start the race. Please note that each relay team will only receive one timing chip, it is not one timing chip per person.

TRANSITION BAGS

At the Registration you will receive the transitions bags. For the relay teams it is not mandatory to use them, but you can hand them in if needed (optional).

TRANSITION MEET POINT

In Transition, there will be a marked area for relay handover. This is the area where you may exchange your timing chip with the other relay team member during the race. Please make sure all team members are aware of this area when racking on Saturday.

For example:

The swimmer will run to Transition and will handover the timing chip to the cyclist at the Relay Meeting Point. The cyclist will then run to their bike and start their bike leg. Once the cyclist has completed the bike leg, they will re-rack their bike and run back towards the same Relay Meeting Point. The cyclist will give the timing chip to the runner who will run out on to the run course.

AFTERTHERACE

AFTER THE RACE

- All team members will receive one finisher medal and one finisher T-shirt. You can also get your race time recorded on the medal directly after the race (each team member can purchase their own).
- After the race all the relay team members have access to the Athlete Garden (FPCC) with food and refreshments.

BIKE CHECK-OUT

Don't forget to do the bike check-out and chip return. Note that the runner needs to return the chip to the biker, so he is able to check out the bike and return the timing chip.
