We ask that you take your child’s temperature prior to arriving at camp. Temperature must be between 97-99°F. If your child’s temperature is over 99°F we ask that you keep them home.

Players should bring their own hand sanitizer, water and soccer ball to minimize sharing.

Players will receive a clean pinnie at the start of training. Pinnies will be washed after every session.

Parents and players must follow facility protocol at all times.

**PRE-ARRIVAL**

**ARRIVAL**

Check-in times will be staggered by age to avoid large gatherings.

Children are NOT required to wear a face covering during training.

Children will be asked to wash/sanitize hands before entering the field.

---

Check-in times will be staggered by age to avoid large gatherings.

Children are NOT required to wear a face covering during training.

Children will be asked to wash/sanitize hands before entering the field.

---

**DURATION**

Player to Coach ratio max is 12 to 1.

Players will remain with their coach each session.

Players must sanitize their hands before, during and after every break.

Players must bring their own water to minimize use and touching of water station.

Maintain social distancing with limited contact. (ex. no high-fives, no sharing)

---

**COACHES GUIDELINES**

Coaches will:

Use disinfecting spray on equipment at the conclusion of each session.

Wear face coverings when speaking near others

Ensure they are, as well as, players are sanitizing/washing hands at the start and end of every break.

Do their absolute best to keep children 6 feet apart at all times.

---

**PICK-UP**

To avoid large congregation, groups will be released in a staggered manner by age.

Coaches will be present and vigilant at pick up to ensure safety for all players.

Player will wash/sanitize hands before leaving the field.
STAFF, PARENTS AND PLAYERS ARE REQUIRED TO STAY HOME IF THEY HAVE TESTED POSITIVE FOR, ARE SHOWING COVID-19 SYMPTOMS OR ARE SIMPLY NOT FEELING WELL.

REMEMBER
