Majors Player All-Star Ballot

For 2025 we are testing a player vote for the all-star team. Based on the results, we may include the players vote as part of the selection process in the future. By playing on a Majors team, you are allowed to vote for up to 20 players. List your votes in order and you may vote for yourself if you believe you should be selected. As long as they played in the Majors, player age does not matter, just vote for the best 20 players. Include first name, last name, and team name. If you do not know someone's full name, at least include their first name and team. You can get help from your parents or coaches; however, the decision about how to vote is entirely up to you. Return your ballot to your coach by the end of your game on May 10th.
