

**Anybody can win!**

Swing Into Action  
At the  
San Carlos Little League 2019

**HIT-A-THON**

**Amazing Prizes!**

**2019 SAN CARLOS HIT-A-THON IS HERE!!**

The 2019 San Carlos Little League Hit-A-Thon Fundraiser is on! This will be a super fun event for the kids and a great benefit to the League and Community. A Hit-A-Thon is like a Walk-A-Thon. Each participant generates monetary pledges from friends/family/community before the event. Pledges can be on a per point basis or flat fee. Players then participate in the Hit-A-Thon and accumulate points based on hits.

**We will be using 99Pledges.com on-line fund-raising tool to help players generate pledges and collect funds. Be on the lookout for an invite from 99Pledges to join the Hit A Thon.**

**ELIGIBILITY: Every San Carlos Little League Player is eligible and encouraged to participate!!**

**DATE: 4/14/2019**

**LOCATION/TIME: Arrive at your respective field anytime and hit (you may have to wait your turn)**

**AA, AAA and Majors - Stadium Field at Highlands 9AM – 5PM**

**T-Ball and Farm Divisions - Laureola Field 8:30AM – 12:30PM**

**2019 FUND RAISING GOALS – LET’S HIT A HOME RUN!!!**

Proceeds will be used to upgrade and maintain existing Little League fields, facilities and equipment

**HIT-A-THON RULES**

Each player will get 12 pitches to generate 6 or more hits. T-Ballers will hit off a Tee. All other divisions will hit off a pitcher or pitching machine. There will be no defense on the field.

If a player gets more than 6 hits, the 6 highest scoring hits will be used to determine total points.

Each hit will correspond to a point value based on total distance the ball travels (e.g. Home run has a higher point value than infield single). At the end of a player’s turn, the player will have accumulated a total number of points based on their total hits and corresponding point value (e.g. player gets 5 hits with varying point values, for a total score 19 points). Based on players “pledges”, each point will be worth a certain amount of money. More pledges = more money per point (e.g. player generates 8 pledges of various amounts resulting in \$8.00 per point). Player generates 19 points in hit value.

Player generates \$152 (19 points x \$8.00 per point) in money raised.

### **PRIZES FOR THE PLAYERS!!**

There will be lots of really cool prizes and many ways for players to win and compete!

- Contest Categories
  - Most Pledges - has the most pledges (not tied to \$ per point or hitting performance)
  - Most Points - highest point score(s) based on hits
  - Most money raised - total points x \$ per point
- Individual performance
  - Player competes against immediate teammates (best score on team wins)
  - Most Pledges, Most Points, Most Money Raised
- Division – player competes against all kids in their division e.g. T-Ball, Farm, AA, etc.
  - Most Pledges, Most Points, Most Money Raised
